Fallacies And Pitfalls Of Language The Language Trap:

Fallacies and Pitfalls of Language S. Morris Engel, 2012-07-03 As S Morris Engel alerts us in this eye opening book we risk falling into potentially harmful language traps every moment Not just the occasional malapropism or grammatical faux pas but a more sinister kind distortions of meaning that would persuade us to believe something that may not be true Sometimes these language traps are set for us deliberately by politicians advertisers journalists lawyers or other professional persuaders Sometimes they are set inadvertently by our friends our loved ones even ourselves This work explains how and why these fallacies work and how we may suffer the consequences when they do Day after day we listen to government newspeak our troops are called peace keeping forces exaggerated advertising claims from leading authorities twisted logic and misleading propaganda We are treated to more and more euphemisms slums are called substandard housing dogcatchers animal welfare officers We encounter innumerable ambiguities I wish you all the good fortune you deserve and indulge in a few ourselves The author wittily explores this verbal minefield and tells us how to spot a language trap and how to avoid falling in The book is not only a useful manual of verbal self defense it s an engrossing study of the nature of language and the subtle ways in which it operates It will intrigue anyone interested in words language and the dynamics of modern culture

FOUNDATIONS OF COUNSELING PEOPLE Michael E. Illovsky, 2013-04-01 Those in the counseling profession are interacting more with people from other cultures the U S sphere of influence throughout the world is spreading increasingly we are providing services to clients who are not Caucasian or of European heritage and our educational programs have been active in training both domestic students of diverse ethnic backgrounds as well as foreign students These factors combine to contribute to the need for those who provide counseling to understand the elements involved in interacting with a wide spectrum of people This book meets that need by providing a brief synopsis on such topics as common factors values universals cross cultural competence and models approaches and psychological perspectives of human behavior theories of personality The emphasis is on material that relies more on the use of the scientific method and data instead of anecdotal and experiential literature For the reader who is interested in obtaining information from which statements are derived there are references to investigate the material further Unlike other book that stress the barriers between counselor and client this book adds the perspective that there are factors that facilitate interactions between the two There are also frequent cross cultural examples in the book To facilitate awareness of similarities and differences in views of human behavior samples of African Arab Chinese and European American perspectives are represented There is also a relatively large section on applications This consists of such subjects as cross cultural aspects of psychological theories ethics research tests Euro American approaches and experiences client characteristics client and counselor interactions and therapeutic techniques Many other topics are covered as well Students and professionals in the fields of counseling and psychology will find this book to be an invaluable addition to their library

A Short Course in Intellectual Self Defense Normand Baillargeon, 2011-01-04 What is the relationship between democracy and critical thinking What must a citizen in a democracy know to make the word democracy meaningful In *A Short Course in Intellectual Self Defense* historian and educator Normand Baillargeon provides readers with the tools to see through the spin and jargon of everyday politics and news reporting in order to decide for themselves what is at stake and how to ask the necessary questions to protect themselves from the manipulations of the government and the media Whether the issue be the call to what we re told will be a bloodless war the debate around Intelligent Design or the meaning of a military expenditure Baillargeon teaches readers to evaluate information and sort fact from official and media spin

Rhetoric and Argumentation in the Beginning of the XX Century Henrique Jales Ribeiro, 2009-12-01 This book is the edition of the Proceedings of the International Colloquium *Rhetoric and Argumentation in the Beginning of the XXIst Century* which was held at the Faculty of Letters of the University of Coimbra in October 2 4 2008 and was organized by Henrique Jales Ribeiro Joaquim Neves Vicente and Rui Alexandre Gr cio The main purpose of the Colloquium was to commemorate the publication in 1958 of the books *La nouvelle rh torique*

Trait de l'argumentation and The Uses of Arguments by respectively C Perelman L Olbrechts Tyteca and S Toulmin But another important goal was to take stock of the state of rhetoric and argumentation theory at the beginning of a new century It was a unique event without parallel in Portugal and worldwide considering its theme and its aims which gathered some of the World's most renowned rhetoric and argumentation theorists Alan Gross Douglas Walton Erik Krabbe Frans V Eemeren F Snoeck Henkemans Guy Haarscher John Anthony Blair Marianne Doury Oswald Ducrot Ruth Amossy The book includes a variety of very important contributions to rhetoric and argumentation theory ranging from those that naturally fall within the subject matter to the areas of philosophy linguistics communication theory education theory and law theory The art as it was called in the Medieval curricula is no longer a discipline amongst others and has become according to the view of some specialists and largely owing to Perelman and Toulmin influences a new paradigm of rationality for our age which auspiciously encompasses all fields of knowledge and culture The book is divided into five parts I Historical and philosophical studies on the influences of Perelman and Toulmin II Studies in argumentation theory III Linguistic approaches to argumentation theory IV Rhetoric and communication theory education theory approaches to argumentation and V Law theory approaches to argumentation

Philosophy, Who Needs It? Jason D. Crowder, 2016-03-02 Too often skeptics charge Christians with having a blind faith Unfortunately believers have added fuel to the charges of skeptics by speaking of their faith illogically But the Christian faith is not a blind faith In fact biblical faith is never a blind irrational faith Christianity rests firmly on the stone that was rejected by the builders which has become the cornerstone Jesus Christ Acts 4:11 Living biblically requires thinking biblically just as to think biblically entails to live biblically as Winfried Corduan notes in the Foreword As followers of Christ believers cannot separate biblical thinking and biblical living These two behaviors are eternally connected not only in the person of Jesus Christ but they stem from the eternal being of God the Father and his eternal truth Christ mandates that his followers love God with their entire being heart soul mind and strength Mark 12:30 How are believers to go about living out this biblical mandate Christian faith is a warranted belief This is why it is so essential that Christians recognize the value and importance of philosophy and its proper place in Christendom and in the Christian's walk
