about it Zera began dating Steve and they were married Many years passed before Zera got the shock of her life One day there was a phone call then a visit When Zera opened her door of course who should be standing there but William Zera couldn t believe it Neither could Zera s current husband Steve who actually served with William in the war Zera was forced to make e a hard decision e Who to continue her life with Could you make such a choice So who does Zera choose And what shocking conclusion does the author keep hidden until the very end The book is a tribute to the spirit and strength of every human being and what makes people do the things they do There is something with which every reader will be able to identify The book combines love war loss family friendship death and all of the elements of daily life that anyone could humanly experience
