"Don't You Know Who I Am?" Ramani S. Durvasula Ph.D,2019-10-01 Don t You Know Who I Am has become the mantra of the famous and infamous the entitled and the insecure It s the tagline of the modern narcissist Health and wellness campaigns preach avoidance of unhealthy foods sedentary lifestyles tobacco drugs and alcohol but rarely preach avoidance of unhealthy difficult or toxic people Yet the health benefits of removing toxic people from your life may have far greater benefits to both physical and psychological health We need to learn to be better gatekeepers for our minds bodies and souls Narcissism entitlement and incivility have become the new world order and we are all in trouble They are not only normalized but also increasingly incentivized They are manifestations of pathological insecurity insecurities that are experienced at both the individual and societal level The paradox is that we value these patterns We venerate them through social media mainstream media and consumerism and they are endemic in political corporate academic and media leaders There are few lives untouched by narcissists These relationships infect those who are in them with self doubt despair confusion anxiety depression and the chronic feeling of being not enough all of which make it so difficult to step away and set boundaries The illusion of hope and the fantasy of redemption can result in years of second chances and despondency when change never comes It s time for a wake up call It s time to stem the tide of narcissism entitlement and antagonism and take our lives back [Drunken Space Pirates!](#) Phoenix Freebird A.,2009-06-30 Running from a mutinous crew sucked through a wormhole like in a bad sci fi movie and slowly running out of booze and that s just the beginning of this non traditional story that starts off as a simple captain s log book and evolves into something more like a really warped and twisted TV show in text Follow the Captain and crew on a series of seemingly random adventures where it s obvious it s not just the Captain who

s been drinking At some point you may ask yourself is all this just coincidence or is there something dark and annoying on the horizon The Captain seems to have a drinking problem the problem being he never has enough to drink and people from his past keep showing up and ruining his buzz Akki a corrupted artificial intelligence who occasionally takes over the Captain s log has his own plans mostly self serving ones because he has nothing better to do The rest of the crew pirates hot chicks robots and a foul beaked little space penguin round out the Drunken Space Pirates and with all the wise cracks and shots aimed at everyone and everything its clear the alcohol flows rather freely within the D S P Many of the off the wall characters of the D S P are walking guilty pleasures who say what they feel do what they want and just generally give it to life pop culture and the universe in general with both barrels and occasionally fish **Purple Peaks Remote** John Merritte
