The Coretta Scott King Awards, 1970-1999 Henrietta M. Smith,1999-06 Provides annotations of the winning and honor books biographies of prominent African American authors and illustrators and interviews with Jerry Pinkney and author Walter Dean Myers *The Coretta Scott King Awards, 1970-2009* Henrietta M. Smith,2009-06-29 Gathers together the best African American children s literature **In Love With A Certified Street King 3** Dejah Rice,2019-08-19 When Fayja got shot she thought life was over for her but she quickly learned that her problems were only truly beginning Even though her problems were only beginning her love life was too Pharaoh proved to be everything she wanted plus more She never would have expected him to end up hurting her until he did Learning the truth about her son working for her lover was a hard pill to swallow Now the only thing left to do is watch the aftermath of love making an ugly but beautiful turn Pharaoh finds himself faced with the decision of choosing love or money Usually that wouldn t be a big deal to him but when it comes to the woman he wants to spend the rest of his life with things are a lot more complicated Pharaoh has never been the one to feel like anyone owes him anything but things are different with Fayja He can t help but to feel like she owes him a fair shot at her love Walking away isn t an option and he ll stop at nothing to get just one more chance with her Love may not have been meant for a thug or boss but it was definitely meant for a certified street king While the only thing Fayja and Pharaoh may be focused on is their love Klue is focused on more serious things Money has been the motive for him and everyone knows money is the root of all evil Klue finds himself at the center of something that is way bigger than he anticipated The options he is given are slim to none and he s either going to have to kill or possibly be killed The decisions he makes in the end could be the difference between life or death for him and those closest to him and death never likes to be cheated **In Love With A Certified Street King 2** Dejah Rice,2019-08-04 When Fayja is shot it leaves everyone speechless and brings secrets face to face with one another Hearts are racing and bloody moves have to be made Who do you go after when you don t know the face behind the shooter Or do you simply go after any and everyone who you feel has something to do with it In Pharaoh s case the latter of the two is always the way to go as long as you move smart about it Pharaoh is either going to get some answers or everyone in the streets is going to have to feel his wrath Making the city bleed is something he hasn t had to do in a while as the boss of the streets but now he feels as if his hand has been forced and he won t sleep until he has the shooter s head on a silver platter When a ghost from the past pops up with a vendetta and dirty secrets are revealed things are only bound to be turned upside down and a helping hand will be needed more than ever But who can you turn to for help when you don t know who to trust The only thing Fayja s son wants to be able to do is welcome her home With his own problems brewing he finds himself tripping off the one person he knows he s forbidden to be with Traumatized by the effects of living a life in the streets everyone has no choice but to choose their destiny and the route they truly want to take The only thing is will they be on a road trip to love or destruction Love may not be meant for a thug but is it meant for a Boss

In Love With A Certified Street King Dejah Rice, 2019-07-14 The one thing that drives us the most can be the one thing that destroys us Yet we can't live without it It's our heart that always seems to get in the way of things But when we're carrying the heart of someone else our love knows no boundaries As a single mother Fayja has always put herself last but when Pharaoh comes in the picture his desire is to put her first When she falls for him she knows that he's bound to give her a taste of a lifestyle she's never experienced however the fact that he's also a boss in the streets sends her headfirst into many situations that she hadn't prepared for When love is in the picture it's hard to let go and Fayja learns this firsthand when she falls in love with a certified street king

Help! My Kid's a Brat E Marie Broussard, **One Year in King City High School** Cristian Saileanu, 2013-02-10 John Holbrook one of the heroes of this book once told me that he had mused his way to the conclusion that a school is to a community what the skin is to a body You see the rash on your arms and you might think that it s the skin that s sick when actually the disease is somewhere deep inside and it is only reflected in the skin Or conversely when the skin is silky smooth soft and supple and pleasant to the touch it s because the entire inside of the body is healthy It has just occurred to me that I have written a book to illustrate what John said I must confess that at times in order to better move the story along two or three real life persons have been shoved into one or one person has been split up into two Chronology has not been always rigorously followed either and real lives have been twisted to allow the sap of fiction to better flow to the heart and mind of the reader Wait Did I say fiction I ll take that back For this is not a fictional book The stories all of them without any exception the stories they are true And if they sometimes seem far fetched it s only because many times reality is stranger than fiction and also more pitiless and more brutal I have kept some of the original quizzes essays newspaper articles and classroom drawings to give the book its well deserved air of authenticity If you are a teacher you will read the book and nod in agreement If you are a parent now you know a teacher s life is not the bowl of cherries you always thought it was If you are a principal or a superintendent you will naturally want to burn the book in the public square this book is a mirror and you will not like what you see Some of the real names of the characters have been maintained Marina Argueta Elizabeth Ramirez Franklin Sosa Jose Alberto Ochoa and the rest of the Ochoa clan Hector Mandujano aka Camar n and most of the soccer players on the KCHS varsity team have given me kind permission to use their real life names Only one character in the entire book is completely fabricated and I will allow you the reader the investigative pleasure of discovering who that character is on your own If you like the book please recommend it to your friends to that nasty brother in law of yours who gets drunk on Thanksgiving to the guy sitting next to you in the carpool or to your fellow teacher in the teacher s lounge But don t lend it to him Let him buy his own copy You see I live off the books I sell Author Saileanu Cristian **Nebula Awards Showcase 2008** Ben Bova, 2008-04-01 This annual tradition from the Science Fiction and Fantasy Writers of America collects the best of the year s stories as well as essays and commentary on the current state of the genre and predictions for future science fiction and fantasy films art and more This year s award winning authors include Jack McDevitt James Patrick Kelly Peter S Beagle Elizabeth Hand and more The anthology also features essays from celebrated science fiction authors Orson Scott Card and Mike Resnick **Intersectionality in Educational Research** Dannielle Joy Davis, James L. nationwide as the names pronouns genders and bodies of a few thousand children were transformed virtually overnight into an issue of state concern and animus towards them an integral fiber in the evangelical Christian right s tribal identity Terrified parents of transgender children found themselves suddenly under investigation threatened with charges of felony child abuse in danger of imprisonment and fearing the loss of their children to state foster care began fleeing their home states They were part of huge wave of internal political refugees unknown in the U S since the terrible days of chattel slavery and in their wake they left behind their homes careers extended families pensions and life savings as they streamed across state lines in search of safety for their transgender children
