## Image Of God In You:

**Image of God in You** Kenneth Copeland,2000-05-01 So you want to make some changes in your life Maybe lose some weight Or get your finances in shape But first you have to change your self image You have to begin seeing yourself as a winner not a loser You to learn how to look into the Word of God and see The Image of God in **The Image of God in the Garden of Eden** Catherine L. McDowell,2015-09-09 Catherine McDowell presents a detailed and insightful analysis of the creation of adam in Gen 2 5 3 24 in light of the Mesopotamian m s p p t p washing of the mouth opening of the mouth and the Egyptian wpt r opening of the mouth rituals for the creation of a divine image Parallels between the mouth washing and opening rituals and the Eden story suggest that the biblical author was comparing and contrasting human creation with the ritual creation animation and installation of a cult statue in order to redefine elem eloh m as a human being the living likeness of God tending and serving in the sacred garden McDowell also considers the explicit image and likeness language in Gen 1 26 27 Drawing from biblical and extrabiblical texts she demonstrates that elem and dem t define the divine human relationship first and foremost in terms of kinship To be created in the image and likeness of Elohim was to be metaphorically speaking God s royal sons and daughters While these royal qualities are explicit in Gen 1 McDowell persuasively argues that kinship is the primary metaphor Gen 1 uses to define humanity and its relationship to God Further she discusses critical issues noting the problems inherent in the traditional views on the dating and authorship of Gen 1 3 and the relationship between the two creation accounts Through a careful study of the t led t in Genesis she demonstrates that Gen 2 4 serves as both a hinge and a telescope the creation of humanity in Gen 2 5 3 24 should be understood as a detailed account of the events of Day 6 in Gen 1 When Gen 1 3 are read together as the final redactor intended these texts redefine the divine human relationship using three significant and theologically laden categories kinship kingship and cult Thus they provide an important lens through which to view the relationship between God and humanity as presented in the rest of the Bible

Francis of Assisi as Artist of the Spiritual Life Andrew T. McCarthy,2010-08-13 Francis of Assisi as Artist of the Spiritual Life applies modern psychological understanding to a historical person While most such studies have sought a comprehensive personality profile this work focuses on one aspect Francis imagination and seeks greater insight into the imaginatively inspired spiritual vision of St Francis An analysis of Francis writings builds on a survey of modern views of the imagination and the approach of ORT or Object Relations Theory ORT with its contention that the imaginative creation of an infant s world develops out of the earliest interactions with the maternal caregiver highlights the way Francis formed his way of visualizing the reality around him While any study of a person 800 years in the grave is more dependent on what is plausible than on what is determinable this study finds numerous examples where Francis writings display an adept use of imagination and even encourages others in that use in a manner that corresponds to an ORT perspective on tutoring the imagination

Linn, 2020 Unbinding Christianity is a book that will be good news for some readers while stretching others in uncomfortable ways It begins with the premise that traditional Christian teaching is focused on right beliefs while the life and teachings of Jesus was all about right living The book represents a fresh voice for Christians who struggle to accept traditional beliefs by assuring them that Jesus himself said much more about right values than he did right beliefs The goal of this book is to unbind Christianity from the wrappings of creeds doctrines dogma and beliefs in order to make room for an understanding of what it means to be Christian defined by values that invites unity among Christians without the need for conformity of beliefs One of the important by products of a values based Christianity is that it paves the way for Christians with different beliefs to find common ground with one another while also freeing them to build bridges of understanding with non Christian WORDS OF PRAISE If you have found it impossible to continue believing in some of the doctrines the church has taught to be essential and don't know if you can continue being a Christian Jan Linn offers some much needed guidance Craig Watts Unbinding Christianity is a thought provoking argument for expansion of Christianity's often employed litmus tests of inclusion and rejection Joshua Santana
