**Games of the North American Indians: Games of chance** Stewart Culin, 1992-01-01 Games figured prominently in the myths of North American Indian tribes and also in their ceremonies for bringing rain and fertility and combating misfortune In his classic study originally published in 1907 as a report of the Bureau of American Ethnology Stewart Culin divided the games played by Indian men and women into two general types Volume 1 of this Bison Books edition takes up games of chance involving guessing and throwing dice Culin was able to show that the games of North American tribes were remarkably similar in method and

purpose He found that games using dice of various materials wood cane bone animal teeth fruit stones existed among 130 tribes belonging to 30 linguistic groups The games are described in detail in this volume and so are the popular guessing games drawing on sticks and wooden disks and involving hidden objects Volume 2 is just as absorbing in its elaboration of skills like archery and games like snow snake in which darts or javelins were hurled over snow or ice Played throughout the continent north of Mexico were the hoop and pole game and its miniature solitaire form called ring and pin here illustrated With equal authority Culin discusses ball games racket shinny football and hot ball He includes accounts of minor amusements shuttlecock tipcat quoits popgun bean shooter and cat s cradle Originally published in 1907 Stewart Culin s comprehensive work reveals a side of American Indian culture still only rarely shown An experienced observer Culin was curator of ethnology at the Brooklyn Institute of Arts and Sciences and the author of books about games in other cultures

*Games of the North American Indians* Stewart Culin, 1975-01-01 The most complete work ever prepared on the subject based on museum collections travel and ethnographic accounts and author s own research Covers over 200 tribes and everything from games of chance and dexterity to such minor amusements as shuttlecock and tipcat Bureau of American Ethnology report worth a substantial sum in original edition 1 112 figures
