Jackson,2018-08-13 In a definitive biography of the mythic general who refused to accept Nazi domination of France Julian Jackson captures this titanic figure as never before Drawing on unpublished letters memoirs and resources of the recently opened de Gaulle archive he shows how this volatile visionary put a broken France back at the center of world affairs

*Kennedy, de Gaulle and Western Europe* E. Mahan,2002-10-16 In *Kennedy de Gaulle and Western Europe* Mahan revises prevailing interpretations of Franco American relations during the early 1960s that either chastise de Gaulle for anti Americanism or Kennedy for imposing U S policies on Europe Summoning a wide range of French and American archival sources this book demonstrates that the structure and dynamics of the Franco American relationship during this period were embedded in complex multilateral relationships within the Western alliance      **The Politics of Moral Capital** John

Kane,2001 It is often said that politics is an amoral realm of power and interest in which moral judgment is irrelevant In this book by contrast John Kane argues that people s positive moral judgments of political actors and institutions provide leaders with an important resource which he christens moral capital Negative judgements cause a loss of moral capital which jeopardizes legitimacy and political survival Studies of several historical and contemporary leaders Lincoln de Gaulle Mandela Aung San Suu Kyi illustrate the significance of moral capital for political legitimation mobilizing support and the creation of strategic opportunities In the book s final section Kane applies his arguments to the American presidency from Kennedy to Clinton He argues that a moral crisis has afflicted the nation at its mythical heart and has been refracted through and enacted within its central institutions eroding the moral capital of government and people and undermining the nation s morale      **The Riviera at War** George G. Kundahl,2017-05-30 During World War II three distinct forces opposed the Allies
