Have you ever felt lost Have you ever felt confused Have you ever felt angry Have you ever felt used I am sure that you have
Do you think of fate Do you think of love Do you dream of a break Do you wonder what s above I am sure that you do I could
probably go on listing countless things that we as human beings either think feel and or act upon I call these things threads
Each one of us is a spool of thread and with each encounter journey burden etc a piece of our thread unravels Some of us
may have enough thread to last for generations some only for a short while but we are all connected When we re all sewn
together we create a beautiful tapestry which encompasses a wide variety of story The Threads of Life is my story Take my
hand and place yourself inside the story Take from it all that I have given and know that no matter how dark and difficult
things seem there is always resolution in the end *Tell Me a Story* Dante Fabiello,2010-04 Once upon a time there was a
little girl called Alexandra who asked her daddy Daddy please tell me a stooweee Well this is my story on how I created
thousands of children stories These stories come from a world where animals of all kinds all talk and learn like children about
life Around the age of three my daughter got tired of me reading little kiddy stories and asked me Daddy please tell me a
stooweee So every night I would make up a new short story One day when she was 7 years old I decided to tape these
stories so she could hear them over and over Well that went on for 7 more years with over 110 hours and over 3 000 stories
There are so many stories that I will have to write many more volumes So here we are the first book is published and now

kids all over the world can enjoy them as my daughter did for many years The time you spend with your child is most rewarding Never get tired of loving kissing and hugging them no matter how old they get Please view the book website by Clicking here Please view sample stories from the book by Clicking here **Adventure** ,1924 *Teacher* ,1973 **I Know What I'm Doing -- and Other Lies I Tell Myself** Jen Kirkman,2017-04-25 Jen offers up all the gory details of a life permanently in progress She reassures you that it s okay to not have life completely figured out even when you reach middle age and find your first gray pubic hair She talks about making unusual or unpopular life decisions such as cultivating a friend with benefits or not going home for the holidays because you don t necessarily want for yourself what everyone else seems to think you should It s about renting when everyone says you should own dating around when everyone thinks you should settle down and traveling alone when everyone pities you for going to Paris without a man Amazon com **What Would You Do for the Love of Money?** Nyickra Finley,2022-07-22 He was in love with a very attractive woman for whom he would have given his life if he had to Then something came out of the box and bit him right in the heart Love greed obsession lies and confessions with this twisted novel will have you out of your seat How do you think you would know someone for so many years who will turn out to be your worst enemy What would you do if this happens to you How much could or would you take
