

Local Government Development In Postwar Japan

Nobuki Mochida

Local Government Development In Postwar Japan:

Local Government Development in Post-war Japan Michio Muramatsu, Farrukh Iqbal, Ikuo Kume, 2001 This book examines the evolution of intergovernmental relations in postwar Japan These relations are shown to be both complex and dynamic and the Japanese model is revealed as one in which aspects of both central control and local autonomy have co existed with the balance shifting gradually over time towards the latter The Japanese system has helped to maintain broad based economic growth since it has at its core a strongly egalitarian fiscal transfer mechanism At the same time it has proved to be consistent to a much greater extent than previously recognized with political development or progress in the attainment of such political values as liberty personal rights and equality broad participation in public affairs for individuals and communities This is because the national government has proved flexible enough to accommodate although not always with grace or alacrity citizen concerns about the quality of life The Japanese approach to intergovernmental relationships has also been successful in solving coordination problems which often arise between local and central government units and in building capacity to support greater and effective decentralization Coordination problems have been handled through a variety of mechanisms including the practice of agency delegated functions while local capacity issues have been addressed through such practices as the exchange of personnel across different levels of government and the use of attractive compensation and training packages to recruit and retain local staff The Japanese experience thus provides an example of gradual and guided decentralization based on shared responsibilities between local and central governments for mobilizing managing and spending public resources in the pursuit of sustainable development *Fiscal Decentralization and Local Public Finance in Japan* Nobuki Mochida, 2008-06-26 This book is suitable for all those who want to understand the role and performance of Japan's central and local fiscal relations as an integral part of resource allocation stabilization and redistribution function of the public sector since the post bubble economy *Regional Administration in Japan* Shunsuke Kimura, 2016-07-15 In Japan the main local administrative affairs are traditionally allotted to prefectures and municipalities while communal disposal systems fire fighting and regional development takes secondary importance However two new changes to the frame of local governments have altered the main frameworks of national and provincial governance With decentralization reforms taking effect more local bodies are gaining autonomy and departing from uniformity This has allowed methods of cooperation between governing bodies to diversify trends which augur a dissolution of uniformity in Japanese local administration If left alone it may eventually lead to disparities between principal and peripheral bodies and thus complicate the administrative systems further How will these changes affect future community development This book aims to address the dynamism of concepts of wide area public service in Japan It advocates the use of flexible strategies to ensure service standards are best suited to each regional demand This concept can be called departure from uniformity This book also examines the advantages and disadvantages of these shifts for the future of Japanese public policy and suggests

various strategies to prevent further complications e.g. autonomous settlement zone Regional Administration in Japan

Departure from uniformity will interest researchers of Japanese public policy and public administration This book will also engage researchers of Japanese politics and Japanese studies in general

Routledge Handbook of Democratization in East Asia Tun-jen Cheng, Yun-han Chu, 2017-09-01 This handbook provides a comprehensive analysis of the dynamics and prospects of democratization in East Asia A team of leading experts in the field offers discussion at both the country and regional level including analysis of democratic attitudes and movements in China Japan South Korea and Taiwan Evaluating all the key components of regime evolution from citizen politics to democratic institutions the sections covered include Regional Trends and Country Overviews Institutions Elections and Political Parties Democratic Citizenship Democratic Governance The Political Economy of Democratization Examining the challenges that East Asian emerging democracies still face today as well as the prospects of the region's authoritarian regimes the Routledge Handbook of Democratization in East Asia will be useful for students and scholars of East Asian Politics Comparative Politics and Asian Studies

Local Governance in Industrial Countries Anwar Shah, 2006 The information revolution in recent years has worked as a catalyst to create a globalized yet localized world with local governments playing an ever increasing role in the domestic and global economy How these governments will be able to shoulder their responsibilities especially the delivery of local services more effectively is the concern of this book The book edited by Anwar Shah provides a comparative perspective on international practices in local governance and draws lessons from these experiences to guide future reform Case studies include the following countries Argentina B

Local Governance in Developing Countries Anwar Shah, 2006 This book provides a new institutional economics perspective on alternative models of local governance offering a comprehensive view of local government organization and finance in the developing world The experiences of ten developing transition economies are reviewed to draw lessons of general interest in strengthening responsive responsible and accountable local governance The book is written in simple user friendly language to facilitate a wider readership by policy makers and practitioners in addition to students and scholars of public finance economics and politics

Japan's Subnational Governments in International Affairs Purnendra Jain, 2006-03-13 This book moves away from the common belief that Japan's international relations are firmly the preserve of the national government in Japan's highly centralised political system Examining examples of subnational governments SNGs across Japan the book uncovers a significant and generally unrecognised development in Japanese politics SNGs are ever more dynamic international actors as national borders weaken across the world Exploring what Japanese SNGs do where they do it and why the book considers the implications of these factors for Japan's international relations and domestic politics By bringing to light the scope and consequences of the international actions of Japan's SNGs this book provides a more accurate and nuanced understanding of the country's foreign policy at a time when it is pursuing a broader and more active profile in international affairs

Building Democracy in Japan Mary Alice

Haddad,2012-03-05 This book offers a grassroots perspective and holistic understanding of Japan s democratization process and what it means for the nation today **An Introduction to Japanese Society** Yoshio Sugimoto,2020-11-12 An Introduction to Japanese Society provides a highly readable introduction to Japanese society by internationally renowned scholar Yoshio Sugimoto Taking a sociological approach the text examines the multifaceted nature of contemporary Japanese society with chapters covering class geographical and generational variation work education gender ethnicity religion popular culture and the establishment This edition begins with a new historical introduction placing the sociological analysis of contemporary Japan in context and includes a new chapter on religion and belief systems Comprehensively revised to include current research and statistics the text covers changes to the labor market evolving conceptions of family and gender demographic shifts in an aging society and the emergence of new social movements Each chapter now contains illustrative case examples research questions recommended further readings and useful online resources Written in a lively and engaging style An Introduction to Japanese Society remains essential reading for all students of Japanese society *Public Administration in Japan* Koichiro Agata,Hiroaki Inatsugu,Hideaki Shiroyama,2024-09-11 This open access book provides an authoritative overview of public administration public management and public governance in Japan Japan is one of the leading countries on the international stage with a reputation for effective government and administration The book covers a wide range of themes including social welfare public employment the education system public finance and crisis management Written by a team of expert scholars it will appeal to international researchers and practitioners interested in Japan as well as public administration and public management more broadly It will be the definitive guide to public administration and governance in Japan for years to come **Tradition, Democracy and the Townscape of Kyoto** Christoph Brumann,2012 Kyoto is both a popular destination for tourists and home to one and a half million inhabitants There is lively debate about how best to develop the city involving a variety of stakeholders forming a particular social arena that has no match elsewhere in Japan Based on ethnographic fieldwork the book analyses the social tensions and conflicts about the built environment and the public cultural heritage in Kyoto **Public Administration in East Asia** Evan M. Berman,2017-09-25 Written by leading experts Public Administration in East Asia Mainland China Japan South Korea Taiwan examines the inner workings of governments in East Asia in particular its public administration and related public policy processes It focuses on the apparatus of government the agencies their values context and policies within which they operate Organized in parallel sections the book covers the history public policy processes organization HRM ethics corruption intergovernmental relations performance management and e government It discusses each of these topics separately for Mainland China Japan South Korea and Taiwan providing an unusual and important comparative perspective The book includes essential knowledge and facts discussions of emerging issues and useful resources for further reading It addresses questions such as What is the history of public administration in East Asia How are decisions made What is the role of Confucianism in shaping public

administration How does the developmental path affect public administration Why is performance management emphasized What is the state of citizen participation How are ethical underpinnings of the civil service different from the West Why are intergovernmental relations an essential issue in East Asia What are the politics behind world class achievements in IT What is the nature of civil service reform What is the nature of efforts to combat government corruption You can find many books on trade policy and politics that sometimes give good insight into the operation of government agencies You can also find a few edited books that contain single chapters on countries in the Asia Pacific region What is missing however is a single resource that provides an overview with depth on matters solely about public administration This state of the art resource brings together the fragments of existing knowledge on East Asian economies filling the need for a comprehensive compendium that showcases the public administration practices in the region and East Asia s innovative approaches to governance and its many challenges

External Research United States. Department of State. External Research Division,

Transition and Development in China Yun Chen, 2017-11-30 China s transition from a planned economy to a market economy has succeeded in producing more than a decade of phenomenal growth Whilst similar reforms in countries of Central and Eastern Europe and the former Soviet Union have seen an initial downturn in production usually with a significant rise in unemployment the success of the approach taken by China has been remarkable However China embarked upon the process without a well designed blueprint at the outset The resulting piecemeal partial incremental and often experimental approach has proved complicated to implement requiring a complex melding of politics and economics internal and foreign affairs government and market How the difficult task of balancing the diverse array of often competing concerns has been achieved is the subject of this book which examines the dismantling of the centrally planned system and the mechanism of institutional change in Chinese transition

Driven by Growth James William Morley, 2015-04-08 A

Local Government Development In Postwar Japan Introduction

In today's digital age, the availability of Local Government Development In Postwar Japan books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Local Government Development In Postwar Japan books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Local Government Development In Postwar Japan books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Local Government Development In Postwar Japan versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Local Government Development In Postwar Japan books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Local Government Development In Postwar Japan books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Local Government Development In Postwar Japan books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which

provides a vast collection of digitized books and historical documents. In conclusion, Local Government Development In Postwar Japan books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Local Government Development In Postwar Japan books and manuals for download and embark on your journey of knowledge?

FAQs About Local Government Development In Postwar Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Local Government Development In Postwar Japan is one of the best book in our library for free trial. We provide copy of Local Government Development In Postwar Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Local Government Development In Postwar Japan. Where to download Local Government Development In Postwar Japan online for free? Are you looking for Local Government Development In Postwar Japan PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Local Government Development In Postwar Japan. This method for see exactly what may be included and adopt these ideas to your book.
