Local Ghost Trails:

Local Ghost Trails Clive Kristen, 1998-10-31 *Local Ghost Trails* features seven classic walks which bring together many elements of history and folklore. Indeed, there is nowhere in the United Kingdom with so rich a history or which abounds with so many tales of ghosts, demons, and things that go bump in the night. The trails encourage walkers to view the area with a fresh perspective. Each trail is spiked with accounts of supernatural events placed in the appropriate historical context. These stories have coloured the views of local people for centuries. What are the ancient secrets of the Druids? Who escaped a public execution? Where is the most haunted hall in Yorkshire? There are poltergeists, pit ghosts, and phantom celebrities of all kinds to be found in the unlikeliest places. The book includes maps and pictures to assist in the precise identification of every site. *Local Ghost Trails* invites readers to join in the ghost hunt.

Ghost Trail And Demon Shadow Nong FuShenQuan, 2019-10-14 Ever since I was young, I was an orphan. Texas Guide to Haunted Restaurants, Taverns, and Inns Robert Wlodarski, 2001-01-25 Ghosts can be encountered anywhere at any time by any person. Why do some people see ghosts more than others? Who knows? Perhaps, as some suggest, a few people are more psychic or more tuned in than others.

Tales from the Haunted South Tiya Miles,2015-08-12 In this book Tiya Miles explores the popular yet troubling phenomenon of ghost tours frequently promoted and experienced at plantations urban manor homes and cemeteries throughout the South As a staple of the tours guides entertain paying customers by routinely relying on stories of enslaved black specters But who are these ghosts Examining popular sites and stories from these tours Miles shows that haunted tales routinely appropriate and skew African American history to produce representations of slavery for commercial gain Dark tourism often highlights the most sensationalist and macabre aspects of slavery from salacious sexual ties between white masters and black women slaves to the physical abuse and torture of black bodies to the supposedly exotic nature of African spiritual practices Because the realities of slavery are largely absent from these tours Miles reveals how they continue to feed problematic Old South narratives and erase the hard truths of the Civil War era In an incisive and engaging work Miles uses these troubling cases to shine light on how we feel about the Civil War and race and how the ghosts of the past are still with us
