world Took me 9 step further away When it ended with 25 steps of one night stands And a gift to carry with my souls that is now save But at a cost of family friends and a love life that is no more 5 more steps now and the rode is almost there With the last few tears follow the steps One more step and I stand here With all my secrets exposed And a body that bares it all with the marks and there no end Today I took my last walk And step by step I told my life And I wonder why I am still alive And why he hasn't taken my life or why he won't let me take my own Oddly he speaks to me and says you're not done With every step you took was an obstacle and when I pushed You pushed back Don't give up now when you're almost done I know your story now the world does to Now show them what you can do You beaten the odds over and over again Now this year it's the end you fight once more And my blessed child you shall win Today I awoke with an end insight and now I see I must begin again But this time with happiness insight at the end     Into the Light Mark Oshiro,2023-03-28 When you're like me you have to lie It's been one year since Manny was cast out of his family and driven into the wilderness of the American Southwest Since then Manny lives by self-taught rules that keep him moving and keep him alive Now he's taking a chance on a traveling situation with the Varela family whose attractive but surly son Carlos seems to promise a new future I can't let anyone down Eli abides by the rules of his family living in a secluded community that raised him to believe his obedience will be rewarded But an unsettling question slowly eats away at Eli's once unwavering faith in Reconciliation Why can't he remember his past What am I supposed to do But the reported discovery of an unidentified body found in the hills of Idyllwild California will draw both of these young men into facing their biggest fears and confronting their own identity and who they are allowed to be Find the truth For fans of Courtney Summers and Tiffany D Jackson Into the Light is a ripped from the headlines story with Oshiro's signature mix of raw emotions and visceral prose but with a startling twist you'll have to read to believe At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
