Japans Guest Workers Issues And Public Policies

Joy Hendry

Japans Guest Workers Issues And Public Policies:

Japan's "guest Workers" 田口浩一,1994 In this volume a labor economist looks at the foreign worker influx and examines its ramifications for Japan economically socially and politically

Governing Insecurity in Japan Wilhelm Vosse,Reinhard Drifte,Verena Blechinger-Talcott,2014-06-27 Since the end of the Cold War Japan s security environment has changed significantly While on the global level the United States is still Japan s most important security partner the nature of the partnership has changed as a result of shifting demands from the United States new international challenges such as the North Korean nuclear programme and the rapid rise of China At the same time Japan has been confronted with new non traditional security threats such as international terrorism the spread of infectious diseases and global environmental problems On the domestic level demographic change labour migration economic decline workplace insecurity and a weakening impact of policy initiatives challenge the sustainability of the lifestyle of many Japanese and have led to a heightened sense of insecurity among the Japanese public This book focuses on the domestic discourse on insecurity in Japan and goes beyond military security The chapters cover issues such as Japan s growing perception of regional and global insecurity the changing role of military forces the perceived risk of Chinese foreign investment societal cultural and labour insecurity and how it is affected by demographic changes and migration as well as food insecurity and its challenges to health and public policy Each chapter asks how the Japanese public perceives these insecurities how these perceptions influence the public discourse the main stakeholders of this discourse and how this affects state society relations and government policies Governing Insecurity in Japan provides new insights into Japanese and international discourses on security and insecurity and the ways in which security is conceptualized in Japan As such it will be of interest to students and scholars working on Japanese politics security studies and international relations

Understanding Japanese Society Joy Hendry,2019-07-09 In this welcome brand new fifth edition of the bestselling textbook Understanding Japanese Society Joy Hendry takes the reader into the heart of Japanese life Providing a clear and accessible introduction to Japanese ways of thinking which does not require any previous knowledge of the country this book explores Japanese society through the worlds of home work play religion and ritual covering a full range of life experiences from childhood to old age It also examines the diversity of people living in Japan the effects of a growing number of new immigrants and role of the longest standing Japanese prime minister Shinzo Abe Fully updated revised and expanded the fifth edition contains new material on the continued effects of the earthquake tsunami and nuclear disasters of 2011 local examples of care for nature and the environment new perspectives on the role of women Japan s place in the context of globalisation Each chapter in this new edition also includes an exciting insert from scholars in the field based on new and emerging research This book will be invaluable to all students studying Japan It will also enlighten those travellers and business people wishing to gain an understanding of Japanese people

Japan's Quiet Transformation Jeff Kingston,2004 The 1990s have been termed as Japan

s lost decade to describe how the phenomenal growth in the Japanese economy ground to a halt and the country was crippled by enormous and ongoing political economic and social problems In responding to these unprecedented difficulties wide ranging reforms have been adopted including NPO information disclosure and judicial reform legislation Controversially this book argues that such reforms are creating a more robust civil society and demonstrate that Japan is far more dynamic than is generally recognized

The SAGE Handbook of Modern Japanese Studies James D Babb,2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University

The Japan Handbook Patrick Heenan,2014-01-27 The Regional Handbooks of Economic Development series provides accessible overviews of countries within their larger domestic and international contexts focusing on the relations among regions as they meet the challenges of the twenty first century The series allows the non specialist student to explore a wide range of complex factors social and political as well as economic that affect the growth of developing regions in Asia Europe and South America Each Handbook provides an overview chapter discussing the region s economic conditions within an historical and political context as well as 20 or more chapter length essays written by recognized experts which analyze the key issues affecting a region s economy its population natural resources foreign trade labor problems and economic inequalities and other vital factors In addition the volumes offer useful support materials including a series of appendices that include a detailed chronology of events in the region a glossary of terms biographical entries on key personalities an annotated bibliography of further reading and a comprehensive analytical index

Modern Japan James L. Huffman,2013-10-31 A valuable companion reference Concentrating on the period following Admiral Perry s visit in the 1850 s the encyclopedia examines the historical events leaders and societal pressures in the country s recent past that affected Japan s entry into the modern age Like its companion volume the encyclopedia covers important political topics the arts religion business literature education journalism and other major social cultural and economic forces Looks at the emperor and nationalism Emphasizing the close ties that always existed between the emperor system and nationalism the encyclopedia carefully explores the various forms of nationalism that flourished since the middle of the last century discusses how the supernaturalism of the beginning of the century ultimately led to World War II looks at the uniquely Japanese

custom of national self analysis and examines the country's remarkable postwar market building economic nationalism. Charts major influences and contemporary concerns. The Encyclopedia brings together in a single volume the major themes and currents that influenced and shaped Japan into a modern economic giant. Ranging over the entire spectrum of modern Japanese history, expert contributors provide concise entries on specific episodes and individuals as well as longer articles on broad topics such as militarism, labor, cinema, censorship, and returning students. The Encyclopedia also examines many of the forces driving Japan today: trade relationships, attitudes towards World War II, the role of national defense, whether to revise the constitution, dealing with unskilled foreign labor, and more. All major entries are followed by an English language bibliography for pursuing subjects in depth.

Modern Japanese society / edited by Josef Kreiner, Ulrich Hohwald and Hans Dieter Olschleger. Josef Kreiner, Ulrich Mèohwald, Hans Dieter Ölschleger, 2004. Is Japanese society essentially different from other modern industrialized societies or not? This survey work with contributions from the leading scholars in this complicated field presents a full overview of the most important aspects of Japanese society which may lead the reader to find an answer to these two often asked questions. Japanese society, defined as those institutions shaping the life of individuals and groups as well as being responsible for the dynamics of social development, is shown to be as modern as any other industrialized society, definitely distinct though, are the ways in which institutions are defined and organised as a result of different social and historical roots of the process of modernization.

Taiwan in Perspective, 2022-01-10. Ever since the end of China's civil war in 1949, Taiwan has embarked on its own distinct divergent path of development. In light of its remarkable achievements and inherent difficulties, therefore, Taiwan should not be considered a renegade province of China, but a society with a democratically elected government that has taken a route different from the rest of China in developing its own cultural norms and values. This book examines the issues of democratic transition, political imprisonment, and the political economy in Taiwan.

The Japanese Industrial Economy Ian Inkster, 2012-11-12. This book reveals that the manipulation of culture was of more importance than the character of the original cultural stock in explaining Japan's modern industrialization. Thus, the features of private enterprise culture that are so often isolated as keys to the nation's historical competitiveness may have been only temporary reflections of this wider process of cultural engineering, a necessary input into the program of technology transfer and late development. This book provides a highly reliable guide to the industrial economy and history and covers a wide ground; it will be of great interest to those involved in Asian studies, Japanese studies, plus economists and professionals in business and enterprise culture.

Globalizing Chinese Migration Pál Nyíri, Igor Saveliev, 2020-08-26. This title was first published in 2003. Globalizing Chinese Migration is the first volume to deal comprehensively with the most recent wave of the migration from the People's Republic of China to Europe and Asia. By analyzing the Chinese state's role in this migration, the authors dismiss as fiction the theory sometimes advanced by hostile and racist foreign observers that Chinese authorities are intent on using mass emigration as an expansionist tool. They go on

to explain that migrants who might in earlier times have been reviled as traitors and absconders are today more likely to be viewed by sections of the Chinese state bureaucracy as patriots who remain part of China's polity and economy and contribute to its standing overseas. Some senior officials however particularly diplomats stress the harm done by new migrants both to China's economy which loses assets as a result of the migrants' entrepreneurial activities and to its reputation in the world. An essential resource for academics and students alike the volume presents important new data on aspects of Chinese migration largely neglected in the existing English language literature. These include new forms of emigration from China by students and by workers from the country's north eastern provinces and emigration to destinations including Russia Southeast Asia and Japan normally unremarked by students of population movements. Japan Rising Kenneth Pyle, 2008-04-29 After more than a half century of withdrawal from international politics Japan is back. What are the implications for the United States? Understanding Japanese Society Professor of Social Anthropology Joy Hendry, 2003-09 Fully updated revised and expanded this is a welcome new edition of this bestselling book providing a clear accessible and readable introduction to Japanese society. **Japan in Transformation, 1945-2010** Jeff Kingston, 2013-11-26 Since 1945 Japan has successfully reinvented itself rising from the ashes of defeat to become a peaceful and prosperous nation. It is seen as an inspiration for other developing nations and contributes significantly to global development. As the third largest economy in the world with a reputation for technological innovation and cultural creativity Japan is a country shaping the world we live in. In this new edition of *Japan in Transformation* Jeffrey Kingston explores the character of the nation as it has evolved since the end of the Second World War. The book examines the US Occupation and explains the causes of the economic miracle and its demise evaluates the effect of the Lost Decade of the 1990s and the unravelling of the Japan Inc system that prevailed in the twentieth century analyses such central and topical issues as the demographic crisis regional relations security concerns political change and the role of women. Expanded and thoroughly revised to cover the period of 1945 to 2010 this second edition of *Japan in Transformation* provides a succinct and comprehensive study of the recent history of one of the most dynamic nations in the modern world. *Multiethnic Japan* John Lie, 2009-07 Multiethnic Japan challenges the received view of Japanese society as ethnically homogeneous. Employing a wide array of arguments and evidence historical and comparative interviews and observations high literature and popular culture John Lie recasts modern Japan as a thoroughly multiethnic society. **Poverty, Equality, and Growth** Deborah J. Milly, 2020-03-23 In striking contrast to the large indigent population in Japan in the 1950s very few Japanese live in poverty today. This book explains the Japanese government's decision to respond to poverty by promoting equality as the basis for a social compromise. Milly argues that to account for why and how political actors crafted a program that won acceptance we must look beyond them and identify how they relied on knowledge and normative arguments. This book straddles theoretical fault lines in comparative politics by exploring the interactions among choice language knowledge and institutions in policy processes and

has implications for the ongoing debate between proponents of rational choice theory as a universal explanation for the decisions of political actors and those who focus on historically or culturally specific conditions

The Rise of Asia Frank B. Tipton, 1998-05-01 For many years Japan was seen as the peculiar exception in Asia a highly dynamic economy isolated in an otherwise moribund continent With the rise of the Southeast Asian and Chinese economies however it has now become clear that Asia as a whole is experiencing an extraordinary revolution which will result within a very few years in living standards for some countries being on a par with those in the West The results of this transformation can only be guessed at but The Rise of Asia adds a far greater sophistication to our understanding of how this process came about treating the key areas of Asian life economics society and politics as an integrated whole and avoiding the trap of most commentators who see the phenomenon as an exclusively postwar economic issue Balancing the uniquely Asian aspects with global developmental factors Dr Tipton creates a convincing picture of how this amazing change has occurred

Japan Patrick Smith, 2011-03-30 The Japanese are in the process of re creating themselves an endeavor they have undertaken at intervals throughout history always prompted by a combination of domestic and global forces In this landmark book Patrick Smith asserts that a variety of forces the achievement of material affluence the Cold War s end and the death of Emperor Hirohito are now spurring Japan once again toward a fundamental redefinition of itself As Smith argues this requires of the West an equally thorough reevaluation of the picture we have held of Japan over the past half century He reveals how economic overdevelopment conceals profound political social and psychological under development And by refocusing on internal history and the Japanese character Smith offers a new framework for understanding Japan and the Japanese as they really are The Japanese he says are now seeking to alter the very thing we believe distinguishes them the relationship between the individual and society Timely measured and authoritative this book illuminates a new Japan a nation preparing to drop the mask it holds up to the West and to steer a course of its own in the world

Jacket image The Great Wave of Kanagawa from 36 Views of Mount Fuji detail by Katsushika Hokusai Private collection

Gendering Struggles Against Informal and Precarious Work Rina Agarwala, Jennifer Jihye Chun, 2018-12-10 This volume examines how gender shapes the varying and intersecting dynamics of informal precarious worker struggles in two gender typed sectors domestic work and construction Drawing upon cases across the global North and South it explores how gender is intertwined into collective organizing efforts why gender is addressed and to what end

Encyclopedia of Immigrant Health Sana Loue, Martha Sajatovic, 2014-06-20 There is increasing interest in the scientific literature on immigrant health and its impact on disease transmission disease prevention health promotion well being on an individual and population level health policy and the cost of managing all these issues on an individual institutional national and global level The need for accurate and up to date information is particularly acute due to the increasing numbers of immigrants and refugees worldwide as the result of natural disasters political turmoil the growing numbers of immigrants to magnet countries and the increasing costs of associated health care that are being felt by

governments around the world

Format and Scope The first portion of the encyclopedia contains chapters that are approximately 25 to 40 manuscript pages in length Each overview chapter includes a list of references and suggested readings for cross referencing within the encyclopedia The opening chapters are Immigration in the Global Context Immigration Processes and Health in the U S A Brief History Alternative and Complementary Medicine Culture Specific Diagnoses Health Determinants Occupational and Environmental Health Methodological Issues in Immigrant Health Research Ethical Issues in Research with Immigrants and Refugees Ethical Issues in the Clinical Context The second portion of the book consists of alphabetical entries that relate to the health of immigrants Entries are interdisciplinary and are drawn from the following fields of study anthropology demographics history law linguistics medicine population studies psychology religion and sociology Each entry is followed by a listing of suggested readings and suggested resources and also links to related terms within the whole book

Outstanding Features The book adopts a biopsychosocial historical approach to the topics covered in the chapters and the entries Each entry includes suggested readings and suggested resources The chapters and entries are written graduate level that is accessible to all academics researchers and professionals from diverse backgrounds We consider the audience for the entries to be well educated but a non expert in this area The primary focus of the book is on the immigrant populations in and immigration to magnet countries References are made to worldwide trends and issues arising globally In addition to the comprehensive subject coverage the text also offers diverse perspectives The editors themselves reflect the multidisciplinary nature of the topics with expertise in psychiatry law epidemiology anthropology and social work Authors similarly reflect diverse disciplines

Japan's Guest Workers Issues And Public Policies Introduction

In the digital age, access to information has become easier than ever before. The ability to download Japan's Guest Workers Issues And Public Policies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Japan's Guest Workers Issues And Public Policies has opened up a world of possibilities. Downloading Japan's Guest Workers Issues And Public Policies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Japan's Guest Workers Issues And Public Policies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Japan's Guest Workers Issues And Public Policies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Japan's Guest Workers Issues And Public Policies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Japan's Guest Workers Issues And Public Policies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Japan's Guest Workers Issues And Public Policies has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Japans Guest Workers Issues And Public Policies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
