From Tee To Green:

From Tee to Green Marvin R. Wamble, 2007-11 Avid golfer Marvin R Wamble has played on courses all around the world and he understands the precarious nature of the game It has its ups and downs and no golfers no matter how good they are can always be guaranteed a great round By the same token Wamble the minister realizes that the game of life is impossible to master without the Lord From Tee to Green a devotional written for golfers searching for a way to improve their lives shares Wamble s witty and insightful reflections on life and golf With personal anecdotes spiritual lessons and prayers he dares to ask tough questions designed to spur readers to the next level of their game whether it s in the middle of a golf course or at one of life s emotional and spiritual crossroads Wamble shows us how to make God a part of our daily lives so that we may walk with spiritual confidence and courage Not wanting us to settle for par or bogey the Lord lovingly infuses us with the power and authority to allow a more abundant existence allowing us to not only fly like eagles but to capture a few on the links as well

Green James W. Finegan, 2008-06-30 Every golfer alive knows that he or she has two ancestral homes one s own and Scotland On her rolling shores the game of golf had its origins and to walk the links of St Andrews is to feel at one with the

shepherd who decided one day to see how far he could whack a stone with his crook Most serious golfers will make the pilgrimage to Scotland to try to hit the Postage Stamp green at Troon to trace the footsteps of Ben Hogan at Carnoustie and to brave the challenge of the Road Hole at St Andrews all golfers dream of taking such a trip For the tourist or the dreamer there can be no better guide than James W Finegan A passionate advocate of the game that s played on the links between land and sea Finegan combines a writer s eye a historian s knowledge and a golfer s sense of wonder and apprehension to provide an impossibly ambitious grand tour of golf s native land In a loop of a thousand miles that begins in Edinburgh and ends across the Firth of Forth in St Andrews Finegan covers some sixty courses visiting the true shrines of the game the courses that are well known and respected and the little known gems you might otherwise pass right by He shares the history of the courses both of their creation and of the most famous matches played there he also writes marvelously about the scenic and strategic charms to be found as you play them yourself And he provides all the information you need to make your arrangements to do just that because unlike most championship courses in the United States the great courses of Scotland are available to the public In addition to his delightful descriptions of the golf to be found there Finegan gives us his recommendations for places to stay ranging from the most modest bed and breakfast to the most magnificent castle hotel He describes the pleasures to be found off the beaten track the spectacular views from a country road or the ancient cathedral that s worth a stop on the way to the first tee And because all the travel within the country is done by car he spells out the actual routes from town to town and course to course Blasted Heaths and Blessed Greens is a book to be read to be savored and to be tucked away in your suitcase when you finally undertake the journey of your dreams

Profiled in this edition are the magnificent Old Head Golf Club in County Cork, one of the most exciting new golf courses in the world, the extraordinarily beautiful new Ring of Kerry Golf and Country Club in County Kerry that overlooks Kenmare Bay and the expanded golf complex at Ballyliffin in County Donegal. He also reviews several new hotels and restaurants that cater to golfers and are near some of Ireland's best courses. Armstrong's travel tips include a discussion of the Euro which will soon become the unit of currency in the Irish Republic and a warning about the proliferation of Irish golf tours.
