Providence of a Sparrow Chris Chester, 2004-04-13 There's a special providence in the fall of a sparrow William Shakespeare Hamlet B fell twenty five feet from his nest into the life of Chris Chester The encounter was providential

for both of them B and Chester spent hours together playing games like bottle cap fetch or hide and seek They learned words in each other s vocabularies B developed a fetish for nostrils and a dislike of the color yellow He grew anxious if Chester came home late from work At bedtime he would rub his sleepy eyes on Chester s thumb and settle to sleep in his palm Chester ended up turning part of his house into an aviary and adjusting his social life to meet B s demands This was a small price to pay though for the trust and comfort of a twenty five gram friend who brought joy and wonder back into his life
