"Kelly" Flory, Jr.,2012-12-17 The 1973 oil crisis forced the American automotive industry into a period of dramatic change marked by stiff foreign competition tougher product regulations and suddenly altered consumer demand With gas prices soaring and the economy in a veritable tailspin muscle cars and the massive need for speed engines of the late 60s were out and fuel efficient compacts were in By 1980 American manufacturers were churning out some of the most feature laden yet smallest and most fuel efficient cars they had

ever built This exhaustive reference work details every model from each of the major American manufacturers from model years 1973 through 1980 including various captive imports e g Dodge s Colt built by Mitsubishi Within each model year it reports on each manufacturer s significant news and details every model offered its specifications powertrain offerings prices standard features major options and production figures among other facts The work is heavily illustrated with approximately 1 300 photographs      *The Savoy Opera and the Savoyards* Percy Fitzgerald,1894      **Understanding Canton** Virgil Ho,2005-12-22 By studying six different aspects of culture in Canton in the period between the two World Wars this book helps broaden our limited knowledge of the social and cultural lives of the common people in this largest city of South China The author examines how the Cantonese in this period indulged in their imagined cultural superiority as modern citizens ushering in a cult of the modern city During this period Cantonese opera was also emerging and evolving into a widely accepted form of commercialised mass entertainment The process of social and cultural change and its impact on the development of this city and its people are revealed throughout the book This book also aims to redress some major misconceptions of the socio cultural realities as seen in official rhetoric or academic discourse on the matters of patriotism and anti foreignism gambling prostitution and opium consumption Contemporary non official and folk materials reveal that the common people were much more pro Western than xenophobic in attitude and the alleged social and political calamities of gambling opium consumption and prostitution were more rhetorical than real Understanding Canton provides us with not only a fuller and more comprehensive picture of city life and popular mentalities but also an important clue to understand how and why the social history of this city was distorted and constructed in ways that suited the political ideology and nation building agenda of the ruling regimes      Opera News ,1958
