## **Frontier Family:**

**The Social History of the American Family** Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of The Social History of the American Family explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual's development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader's Guide Chronology of American Families Resource Guide Glossary and thorough index The Social History of the American Family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions Key Themes Families and Culture Families and Experts Families and Religion Families and Social Change Families and Social Issues Problems Crises Families and Social Media Families and Social Stratification Social Class Families and Technology Families and the Economy Families in America Families in Mass Media Families Family Life Social Identities Family Advocates and Organizations Family Law and Family Policy Family Theories History of American Families **F-O** Library of Congress. Office for Subject Cataloging Policy, 1990 **Family Therapy** Janice M. Rasheed, Mikal Nazir Rasheed, Mikal N. Rasheed, James A. Marley, 2011 This text offers a straightforward comprehensive overview of both traditional and evolving theoretical models of family therapy and intervention techniques as well as a discussion of clinical issues unique to family therapy practice Aiming to prepare students to develop beginning proficiency in family therapy the authors outline major family therapy models in detail including a step by step description of concepts theories skills and techniques as well as a history of each model and its conceptual and theoretical underpinnings The text also provides extensive case illustrations of family interviews that identify the specific stages clinical issues concepts theories and techniques associated with each model This core text is designed for graduate level courses such as Family Therapy Marriage and Family Therapy Marriage and Family Counseling Family Systems Theory and Family Counseling in departments of social work psychology nursing education or human services **Making America** Luther S. Luedtke, 1992

In this richly interdisciplinary work twenty eight of the nation s leading critics and scholars offer a comprehensive exploration of American society and culture Each outstanding in his or her own field the contributors address America from a diversit

**American Families** Stephanie Coontz,2013-01-11 In the past forty years American families have become more racially and ethnically diverse than ever before Different family forms and living arrangements have also multiplied with single parent families cohabiting couples with children divorced couples with children stepfamilies and newly visible same sex families During the same period socioeconomic inequality among families has risen to levels not seen since the 1920s This second edition of American Families offers several benefits clear conceptual focus new attention to the historical origins of contemporary family diversity well chosen essays by leading names from across the curriculum explores the interactions between race ethnicity class gender and sexuality in shaping family life cCompletely updated and expanded bibliography of related sources new companion website with student and instructor resources to enhance learning Leading off with a comprehensive and teachable introduction to the topic this completely updated revised and expanded second edition of Stephanie Coontz s classic collection American Families remains the best resource available on family diversity in America For additional information and classroom resources please visit the American Families companion website at [www.routledge.com/textbooks/9780415958219](http://www.routledge.com/textbooks/9780415958219)

**Studies in American Historical Demography** Maris A. Vinovskis,2013-09-03 Studies in American Historical Demography is a collection of the best studies in American historical demography The book discusses some methodological and conceptual considerations in the trends in American historical demography the demographic history of colonial New England and the marital migration in Essex County Massachusetts in the colonial and early federal periods The text also describes the historical trends in parental power and marriage patterns in Hingham Massachusetts the use of demographic data that are or may be retrieved from colonial New England gravestones and the mortality rates and trends in Massachusetts Massachusetts The estimates of the vital rates of the United States black population during the 19th century the two parent household as well as the differential fertility in Madison County New York 1865 are also considered The book further tackles the socioeconomic determinants of interstate fertility differentials in the United States in 1850 and 1860 cohorts of native born Massachusetts women 1830 1920 and the demographic change and the life cycle of American families Historians demographers anthropologists economists and sociologists will find the book invaluable

**The American Midwest in Film and Literature** Adam R. Ochonicky,2021-12-22 A critical overview of the evolution contestation and fragmentation of the Midwest s symbolic and often contradictory meanings in American culture How do works from film and literature Sister Carrie Native Son Meet Me in St Louis Halloween and A History of Violence for example imagine reify and reproduce Midwestern identity And what are the repercussions of such regional narratives and

images circulating in American culture In *The American Midwest in Film and Literature Nostalgia Violence and Regionalism* Adam R Ochonicky provides a critical overview of the evolution contestation and fragmentation of the Midwest s symbolic and often contradictory meanings Using the frontier writings of Frederick Jackson Turner as a starting point this book establishes a succession of Midwestern filmic and literary texts stretching from the late 19th century through the beginning of the 21st century and argues that the manifold properties of nostalgia have continually transformed popular understandings and ideological uses of the Midwest s place identity Ochonicky identifies three primary modes of nostalgia at play across a set of textual objects the projection of nostalgia onto physical landscapes and into the cultural sphere nostalgic spatiality nostalgia as a cultural force that regulates behaviors identities and appearances nostalgic violence and the progressive potential of nostalgia to generate an acknowledgment and possible rectification of ways in which the flawed past negatively affects the present nostalgic atonement While developing these new conceptions of nostalgia Ochonicky reveals how an under examined area of regional study has received critical attention throughout the histories of American film and literature as well as in related materials and discourses From the closing of the Western frontier to the polarized political and cultural climate of the 21st century this book demonstrates how film and literature have been and continue to be vital forums for illuminating the complex interplay of regionalism and nostalgia Ochonicky presents an important reading of how nostalgia shapes the Midwest in the American imagination as a place of identity and violence Past and present slip in this compelling and well researched approach to the workings of contemporary culture Vera Dika author of *Recycled Culture in Contemporary Art and Film The Use of Nostalgia* By centering the concept of region Adam Ochonicky provides an insightful and refreshing reading of American popular culture In texts ranging from Richard Wright s *Native Son* to John Carpenter s *Halloween* Ochonicky demonstrates the complex terrain of the Midwest in our cultural imaginary and the diverse memories and meanings we project upon it Kendall R Phillips author of *A Place of Darkness The Rhetoric of Horror in Early American Cinema* Syracuse University     **The Writer** ,1898     *The Writer* William Henry Hills,Robert Luce,1898     **Our Family, Our Town** ,1987     **Vacation Travel by Canadians in the United States** ,1974     *Library of Congress Subject Headings* Library of Congress,Library of Congress. Office for Subject Cataloging Policy,2012     *Women's Diaries of the Westward Journey* Lillian Schlissel,2011-08-03 An expanded edition of one of the most original and provocative works of American history of the last decade which documents the pioneering experiences and grit of American frontier women     **The Frontier's Wives** Pasquale De Marco,2025-05-11 *The Frontier s Wives* tells the stories of the women who helped to build the American West These women were pioneers in every sense of the word They traveled west with their families and they helped to establish communities and raise families They also played an important role in the economy working as farmers ranchers teachers and nurses The frontier was a challenging environment for women They faced many of the same hardships as men including disease violence and isolation But they also found opportunities for independence and self reliance that

were not available to them in the more settled areas of the country On the frontier women could own property vote and participate in public life They could also pursue careers that were traditionally closed to women in the East The frontier experience had a profound impact on women s lives It gave them a sense of empowerment and self confidence It also taught them the importance of community and cooperation The women who lived on the frontier were pioneers in every sense of the word They helped to build a new nation and to shape the American character This book is a tribute to the women who helped to build the American West Their stories are a testament to the strength resilience and determination of American women They are also a reminder of the important role that women have played in the history of the United States In this book you will learn about The challenges and triumphs of frontier women The role that women played in the development of the American West The impact that the frontier experience had on women s lives The legacy of frontier women This book is a must read for anyone who is interested in the history of the American West or in the role of women in American history If you like this book write a review on google books      Colburn's United Service Magazine and Naval and Military Journal ,1842

*Women And Farming* Wava G Haney,2021-11-28 Originally published in 1988 as part of the Rural Studies Series of the Rural Sociological Society this is a collection of papers from the Second National Conference on American Farm Women in Historical Perspective held in Madison Wisconsin on October 16 18 1986 Includes the subjects of the impact of social and economic change on farm women perspectives on the work of ethnic minorities and the Native American experience
