Frontier Enchantress:

Frontier Enchantress Kate O'Donnell,1992 Fictions of the War on Terror D. O'Gorman,2015-06-29 This book argues that there are a number of contemporary novels that challenge the reductive us and them binaries that have been prevalent not only in politics and the global media since 9 11 but also in many works within the emerging genre of 9 11 fiction itself

Hell Fleet Stephen Hunt,2018-06-03 Captain Lana Fiveworlds has three ghastly problems 1 Her beloved crewman Calder Durk s gone missing 2 She now has a daughter to bring up on the rickety free trader ship Gravity Rose 3 Said daughter s from a parallel dimension and that s only the start of her strangeness Meanwhile Commander Adella Vega of the Alliance navy aka Hell Fleet also has three dire headaches 1 She s stuck at the dog end of the galaxy on punishment duty with the Fleet s losers thieves and pedantic pen pushers 2 Large portions of her sector just went dark 3 Something big bad and particularly nasty is now heading her way Both their troubles are about to collide and multiply in the most horrific manner since the Vela Supernova Remnant detonated Sometimes the future s so bright you better bring lead lined shades And a rail cannon or three Because Earth s best space opera series just met the page turning universe of military science fiction ABOUT THE BOOK Hell Fleet is the 5th book in Sliding Void series It s a completely stand alone adventure not directly linked to the first four books

Gwinnett County, Georgia ADC (Firm),1995 Sam Houston with the Cherokees, 1829-1833 Jack Dwain Gregory,1996 This is a lively effort to pierce the thick fog of Falsehood calumny ignorance and legend surrounding the four years Sam Houston spent among the Cherokees in what is now northeastern Oklahoma the broken years in Tennessee and his advent in Texas on the eve of the War for Independence Virginia Quarterly Review **While Passion Sleeps (The Reluctant Brides Series, Book 3)**

Shirlee Busbee,2017-02-17 The married daughter of an English aristocrat Beth Ridgeway believes Rafael Santana cruel and insensitive a man who uses women only for selfish pleasure The arrogant son of a wealthy Texas family Rafael thinks Beth flirtatious and unfaithful a woman who takes pride in breaking men s hearts But when Beth and Rafael chance to meet again at a dazzling New Orleans ball something happens Something neither the years nor the violent misunderstandings between them can diminish an awakening to the magnificent passions of love no matter how forbidden THE RELUCTANT BRIDES in series order A Heart for the Taking Swear by Moonlight While Passion Sleeps THE SOUTHERN WOMEN in series order The Tiger Lily Each Time We Love At Long Last Love a Dark Rider THE LOUISIANA LADIES in series order Deceive Not My Heart Midnight Masquerade Love Be Mine *Bonds and Borders*

Rebecca DeWald,Dorette Sobolewski,2011-05-25 The essays in this collection exemplify the relevance of bonds and borders in literature and contribute each in their own individual ways to the discourse between literary studies and Border studies The scope of contributions ranges from revisiting older works from colonial times to discovering current narratives in post 9 11 literature from the search for a national identity in Welsh poetry to self transformation and the trans cultural journeys of individuals in the literature of migration and from the cosmopolitanism of Black Britain to gendered readings of Arab

American war narratives Although not conceived and or constructed as a whole this collection gains particularly through disunity topics cross over where one would least expect them to borders are trespassed in order to give rise to new ideas and points of study These essays by young researchers from a variety of disciplines and geographical backgrounds effectively work as a unit to dissect subvert challenge or perhaps validate pre conceived understandings of identity in an international society They present a polydialectic approach to Literature and the supposedly borderless society of the Western world and its profound impact on individual identity

Paperbound Books in Print ,1992 *First Civilization's Legacy* Terry W. Ervin II,2019-02-03 Epic fantasy in a post apocalyptic world All three First Civilization s Legacy novels in one collection Flank Hawk What happens when fire breathing dragons battle Stukas for aerial supremacy over a battlefield Can an earth wizard s magic defeat a panzer Krish a farmhand turned mercenary witnesses this and much more as he confronts the Necromancer King Blood Sword Scouting along the western frontier Flank Hawk discovers an army massing the army of Fendra Jolain Goddess of Healing Weakened and battle weary Keese and her allies cannot withstand Fendra Jolain s powerful army of men and beasts arrayed against them One hope of survival remains Retrieve the Blood Sword from the immortal Colonel of the West and bring its sinister strength to the battlefield Soul Forge Young Enchantress Thereese lays stricken and silent her vital essence sapped by the Shard Staff edging ever closer toward death Supreme Enchantress Thulease refuses to allow her daughter to fade beyond recovery Enchantress Thulease recruits Mercenary Flank Hawk to accompany her as she seeks the legendary Sleeping Sage Praise for Terry W Ervin II and First Civilization s Legacy Blood Sword is a tremendous installment in one of the most inventive and compelling fantasy sagas I have read in years Stephen Zimmer author of the Fires in Eden Series and The Rising Dawn Saga Blood Sword continues the adventures started in Flank Hawk in which Ervin created a unique and detailed post apocalyptic world where magic works but ancient technologies from the First Civilization our world still exist You ll cheer as they face off against griffins fallen angels gargoyles and worse in a fun engaging adventure filled with wall to wall action David Forbes author of the Osserian Saga A worthy successor to the original novel packed with action and entertainment Jim Bernheimer author of the Dead Eye series and Confessions of a D List Supervillain A classic epic fantasy with plenty of original twists You won t want to put it down even when you ve reached the end David Debord author of The Silver Serpent and Keeper of the Mists Grab hold Ervin s got the magic C Dean Andersson author of the Bloodsong Trilogy A curious blend of epic fantasy modern techno thriller and non stop action adventure Erica Hayes author of the Shadowfae Chronicles Buy it or chalk it up on that long list of things you regret not doing Stephen Hines author of Hocus Focus Prologue ,1999 *Rushdie's Cross-Pollinations* Dana Bădulescu,2022-01-12 This book is a literary journey through Salman Rushdie s cross pollinated gardens showing that the metaphor of reading as a quest is essential to Rushdie s writing It invites scholars and students interested in postcolonialism postmodernism transculturalism and the global novel to explore the many facets of Rushdie s novels and collections of essays The journey starts from Rushdie s sorcery with

language and it continues with his appraisal of Joyce's legacy. The reader will also find an analysis of the dark season of the fatwa as well as the lush sensuality of the body and aestheticized Eros in *The Moor's Last Sigh*, *The Ground Beneath Her Feet*, *Fury*, *Shalimar the Clown* and *The Enchantress of Florence*. The book further explores the liquid bridges, the postmodernist twist and postcolonial satire in Rushdie's fiction. After providing a sense of Rushdie's novel of disorientation and New York, the book finishes by exploring Rushdie's *Quichotte* published in 2019, an epitome of the global novel that revisits and translates Cervantes's *Don Quijote de la Mancha* for readers addicted to TV and the Internet.

Russia's People of Empire Stephen M. Norris, Willard Sunderland, 2012-07-11. A fresh and lively approach to understanding how the various Russian empires have worked. Slavic Review. A fundamental dimension of the Russian historical experience has been the diversity of its people and cultures, religions, and languages, landscapes, and economies. For six centuries this diversity was contained within the sprawling territories of the Russian Empire and the Soviet Union and it persists today in the entwined states and societies of the former USSR. *Russia's People of Empire* explores this enduring multicultural world through life stories of 31 individuals, famous and obscure, high born and low men and women that illuminate the cross-cultural exchanges at work from the late 1500s to post-Soviet Russia. Working on the scale of a single life, these microhistories shed new light on the multicultural character of the Russian Empire, which both shaped individuals' lives and in turn was shaped by them. Students of Russian Empire would be well served with this work given its snapshots of diverse imperial milieus and their attendant multicultural dialogues at the personal level. *Slavic and East European Journal*. This compilation gives readers a more in-depth personal understanding of how the inescapable existence of diversity in Russia and the Soviet Union related to everyday life. Highly recommended. Property and Power in English Gothic Literature Ruth Bienstock Anolik, 2016-01-12. Eighteenth-century England witnessed major social and economic changes, including the commodification of property, person, and text through legal containments, enclosure, coverture, primogeniture, copyright. English Gothic authors responded with tropes that worked to dispel the assurances of possession, the contested castle, the beleaguered yet enduring woman, the haunting ghost, the disjointed narrative, warning that seemingly mundane codes of ownership have menacing implications, such as the civil death of women through marriage. This book explores the masterplot of the English Gothic text as a response to the Enlightenment's rational certainty regarding possession of self, property, and narrative.

Narratives of the War on Terror Michael C.

Frank, Pavan Kumar Malreddy, 2020-09-10 Challenging the predominantly Euro American approaches to the field this volume brings together essays on a wide array of literary filmic and journalistic responses to the decade long wars in Afghanistan and Iraq Shifting the focus from so called 9 11 literature to narratives of the war on terror and from the transatlantic world to Iraq Syria Afghanistan the Afghan Pak border region South Waziristan Al Andalus and Kenya the book captures the multiple transnational reverberations of the discourses on terrorism counter terrorism and insurgency These include but are not restricted to the realignment of geopolitical power relations the formation of new terrorist networks ISIS and regional alliances Iraq Syria the growing number of terrorist incidents in the West the changing discourses on security and technologies of warfare and the leveraging of fundamental constitutional principles The essays featured in this volume draw upon and critically engage with the conceptual trajectories within American literary debates postcolonial discourse and transatlantic literary criticism Collectively they move away from the trauma centrism and residual US centrism of early literary responses to 9 11 and the criticism thereon while responding to postcolonial theory s call for a historical foregrounding of terrorism insurgency and armed violence in the colonial imperial power nexus This book was originally published as a special issue of the European Journal of English Studies
