Frontier Mother:

Pioneer Mother Monuments Cynthia Culver Prescott, 2019-04-04 For more than a century American communities erected monuments to western pioneers Although many of these statues receive little attention today the images they depict sturdy white men saintly mothers and wholesome pioneer families enshrine prevailing notions of American exceptionalism race relations and gender identity *Pioneer Mother Monuments* is the first book to delve into the long and complex history of remembering forgetting and rediscovering pioneer monuments In this book historian Cynthia Culver Prescott combines visual analysis with a close reading of primary source documents Examining some two hundred monuments erected in the United States from the late nineteenth century to the present Prescott begins her survey by focusing on the earliest pioneer statues which celebrated the strong white men who settled and conquered the West By the 1930s she explains when gender roles began shifting new monuments came forth to honor the Pioneer Mother The angelic woman in a sunbonnet armed with a rifle or a Bible as she carried civilization forward an iconic figure resonated particularly with Mormon audiences While interest in these traditional monuments began to wane in the postwar period according to Prescott a new wave of pioneer monuments emerged in smaller communities during the late twentieth century Inspired by rural nostalgia these statues helped promote heritage tourism In recent years Americans have engaged in heated debates about Confederate Civil War monuments and their implicit racism Should these statues be removed or reinterpreted Far less attention however has been paid to pioneer monuments which Prescott argues also enshrine white cultural superiority as well as gender stereotypes Only a few western communities have reexamined these values and erected statues with more inclusive imagery Blending western history visual culture and memory studies Prescott's pathbreaking analysis is enhanced by a rich selection of color and black and white photographs depicting the statues along with detailed maps that chronologically chart the emergence of pioneer monuments

Emeline Jouve T Ross Leasure David Marcia Cormac O Brien Donald Pease Valentine Vasak **Mother's Son** Skip Shockley, 2009-07-16 Mother's Son is a passionate story of a young man's life told from the heart and mind of his grandmother. She held him gently as pain gripped his body. A child born with Sickle Cell Anemia Disease only his grandmother's potions and ointments along with her stories managed to ease his pain. She told her special grandson stories of Post Reconstruction. Jim Crow and the Civil Rights Movement were a prince of peace flew over the mountain top and a tall stature stool transforming himself into a black revolutionary. Her most compelling story talks of a boy's struggles through his pain by wondering the streets infested with drug and violence. His journey as a Black Panther put him in the forefront as community organizer where he helped establish the first Sickle Cell Anemia testing community wide testing and free clothing programs in Dallas. His struggle for identity took him to the brink of insanity there he found himself as he emerged as a man who dedicated his life helping those who have fallen through the cracks of despair and drug abuse lost children who carry the psychological wounds of slavery. The author has now updated Israeli Cinema adding a substantial new postscript that reflects on the book's initial reception and points to exciting new trends in the cinematic representation of Israel and Palestine. Ella Shohat explores the cinema as a productive site of national culture dating back to the early Zionist films about turn of the century Palestine. She offers a deconstructionist reading of Zionism viewing the cinema as itself participating in the invention of the nation. Unthinking the Eurocentric imaginary of East versus West Shohat highlights the paradoxes of an anomalous national colonial project through a number of salient issues including the Sabra figure as a negation of the Diaspora Jew the iconography of the land of Israel as a denial of Palestine and the narrative role of the good Arab. The new postscript examines the emergence of a richly multiperspectival cinematic space that transcends earlier dichotomies through a palimpsestic and cross border approach to Israel Palestine **Working Mothers** Denise Tyler, 2008 Nobody would say being a working mother is easy but there are ways and means to make it easier. This practical book helps you find a bit more flexibility in your life feel less guilty about working motherhood and ensures you know your legal rights **Love in Three-Quarter Time** Dina Sleiman, 2012-10-23 In the style of Deeanne Gist Dina Sleiman explores the world of 1817 Virginia in her novel Love in Three Quarter Time. to waltz to a fresh start **The Mother's Hands: Desire, Fantasy and the Inheritance of the Maternal** Massimo Recalcati, 2019-06-04 In this book the bestselling author and psychoanalyst Massimo Recalcati offers a fundamental re-examination of what being a mother means today in a world where new social and sexual freedoms mean that motherhood is no longer the sole destiny of women. Questioning the belief that a mother's love is natural and unconditional, he paints a more complex and troubling picture of the mother-child relationship, observing that mothers may even resent their children as a result of unresolved conflicts between different dimensions of love. The mother's hands not only nurture but can also potentially harm. Recalcati argues that it is precisely in these competing demands that motherhood fulfils its function: only if the mother is not all mother can a child experience the absence that enables it to access the symbolic and cultural world. Recalcati cuts through conventional wisdom to offer a fresh perspective on the changing nature of motherhood today. An international bestseller, this book will appeal to a wide general readership as well as to students and scholars of gender studies, psychoanalysis and related disciplines.
