This book is dedicated to all of the families who have ever lost a loved one to Alzheimers and Dementia I have spent over Twenty five years giving care to these moms and dads who have acquired this horrible disease Id like to take you on my journey and tell you about some of the experiences Ive dealt with and some of the care Ive done although some of these days and nights were hard and sometimes I felt like running not to return I hung in there because I truly felt that this is my calling in life There were a lot of tears fears smiles and laughter and no matter how sad or how hard times got we could always find a moment for love I hope that you will embrace my story and find some comfort as you read about all of the challenges I encountered while giving care to those who could not care for themselves May you find a little laughter as I take you through what some of you may view as impossible to go through But unless you truly have a heart to give this type of care it could never be for you it can be greatly overwhelming But for me it is therapy truly therapy And this is why there are folks like me it is my passion I love to care for others I hope you enjoy and find some comfort smiles and a little laughter as you go through this journey with me I do not wish to be disrespectful nor offend anyone by writing these short stories of actual accounts that happened with some of the people I cared for Im writing in hopes of you receiving some insight on what it takes to be a great caregiver or find one God bless *Uncommon Friends* Julie Adams Church, 2002

In the late sixteenth century a mythical encounter was reported on an elephant hunt in the dense jungle north of the Tonle Sap or Great Lake of central Cambodia King Satha of Cambodia and his retainers were beating a path through the undergrowth when they were halted by stone giants and then a massive wall The King the fable reported ordered 6 000 men to bring down the wall thereby exposing the city of Angkor lost for over a century Subsequent reports from Portuguese missionaries described its four gateways with bridges flanked by stone figures leading across a moat There were idols covered in gold inscriptions fountains canals and a temple with five towers called Angkor sic For four centuries this huge complex has inspired awe amongst visitors from all over the world but only now are its origins and history becoming clear This book begins with the progress of the prehistoric communities of the area and draws on the author s recent excavations to portray the rich and expansive chiefdoms that existed at the dawn of civilization
