Complete Din Din Book in Pictures Translation from Book Number One Diane Sytarchuk-Kent, 2022-07-12. Here is a book of easy reading poetry that is meant for everyone's pleasure especially someone who likes a good rhyme. More importantly it has a bonus of having social stories in the margins of all the pages of poetry to help a developmentally challenged child understand what is in the text of the poem. Diane has found that social stories are very helpful in teaching her autistic child to understand concepts he may not otherwise be able to understand. These pictures and corresponding text would be a good way to pass on social skills to people like her child. She has found that social skills are at the very root and basis of a meaningful life and help enrich the learning experience. This has helped her child to understand difficult concepts and has worked well in conjunction with the medicine he takes from a well recognized physician. She wants to make as much of this new language as she can. This is her first book and hopefully the first of many.

In this book Elizabeth Clare Prophet tells the story of the search for her life's mission during her first twenty-two years. It provides an unflinching view of the struggles and triumphs that helped define her life. This memoir is a glimpse into the life and character of an extraordinary figure in New Age spirituality. It offers an intimate look into what it means to be a mystic in today's world.

*The Silent Bridge* Gail Leichliter, 2022-04-04. As a very sensitive girl, moments in my life which touched me deeply were sometimes difficult for me to understand and even more difficult to express. To cope with the feelings I found consolation and healing in printing my deepest feelings on paper which helped me make sense of the confusion or heartache or would allow me to rejoice in the celebration and good times. My coping technique began in high school and helped me through many years of friendships, loves, marriage, divorce, and significant life events. Putting my feelings on paper often allowed me to let go of the pain or heartache or would lift me up and truly give me strength to carry on. My poetry is what helped me move through all of my
