From The Ashes Of Angels The Forbidden Legacy Of A Fallen Race:

From the Ashes of Angels Andrew Collins,1996 *From the Ashes of Angels* Andrew Collins,1997 Evidence of an advanced race existing in the near East during prehistoric times is revealed in this book showing the evolution of civilization and religion throughout the old world Originating in Egypt where they introduced the first ever forms of proto agriculture and left vast Cyclopean monuments and ruins they migrated to the near East to escape the cataclysms that accompanied the end of the Ice Age Among their greatest achievements was the creation of the Sphinx **From the Ashes of Angels** Andrew Collins,2001-09-01 Provides convincing evidence that angels demons and fallen angels were flesh and blood members of a giant race predating humanity spoken of in the Bible as the Nephilim Indicates that the earthly paradise of Eden was a realm in the mountains of Kurdistan By the author of Gateway to Atlantis Our mythology describes how beings of great beauty and intelligence who served as messengers of gods fell from grace through pride These angels also known as Watchers are spoken of in the Bible and other religious texts as lusting after human women who lay with them and gave birth to giant offspring called the Nephilim These religious sources also record how these beings revealed forbidden arts and sciences to humanity transgressions that led to their destruction in the Great Flood Andrew Collins reveals that these angels demons and fallen angels were flesh and blood members of a race predating our own He offers evidence that they lived in Egypt prior to the ancient Egyptians where they built the Sphinx and other megalithic monuments before leaving the region for what is now eastern Turkey following the cataclysms that accompanied the last Ice Age Here they lived in isolation before gradually establishing contact with the developing human societies of the Mesopotamian plains below Humanity regarded these angels described as tall white haired beings with viperlike faces and burning eyes as gods and their realm the paradise wherein grew the tree of knowledge Andrew Collins demonstrates how the legends behind the fall of the Watchers echo the faded memory of actual historical events and that the legacy they have left humanity is one we can afford to ignore only at our own peril Awakening the Witchblood Nathan King,2024-08-26 Drawing on the myriad of beliefs from European witch traditions Nathan King has created an impressive guidebook combining mythology and folklore with operative rituals designed to enliven and quicken the metaphorical Witch Blood that courses through our veins The Witchblood Awakens Witches are not just users of magick we are a physical embodiment reflection and power of the source Coursing through our veins is a potent magickal elixir called the Witchblood our personal source of power that creates the spark igniting our spells and rituals In his first book Awakening the Witch Blood folkloric witch and high priest Nathan King takes the reader on a truly magickal journey through witch lore ultimately leading you on a journey of self discovery *The Genesis Race Will* Hart,2003-10-24 Shows that Earth was visited by an extraterrestrial race who bioengineered modern man in its image and taught man how to construct the pyramids Examines the flaws in Darwin s theory of evolution and presents startling new evidence of intelligent intervention Reveals the messages coded in the pyramids left by the ancients concerning impending

Earth changes at the end of the Mayan calendar For millennia the development of humanity showed a consistent homogenous pattern Then suddenly around 3000 B C E great civilizations sprang up around the globe All the creation myths of these civilizations tell of gods who came down to Earth and fashioned man in their own image teaching them the arts of agriculture and civilized life In addition the dominant architectural design in Egypt Sumeria Peru Mexico and China was the pyramid though science has never been able to explain why or where these peoples obtained the advanced technological knowledge to construct such edifices The abruptness and similarities of these evolutionary leaps calls into question the Darwinian theory of evolution given that there are no traces of any intermediate evolutionary forms Now using the most current research on DNA Will Hart shows that these gods were actually visitors from other worlds who genetically engineered modern humanity from the beings that then inhabited the planet He also suggests that the Bible and other creation stories have been interpreted falsely as myth when they should have been read as history The structures left by our ancestors were designed in accordance with precise astronomical and geodetic alignments to make them visible from outer space and to survive for thousands of years with the intent of communicating information relating to physical and temporal events Humanity s current stage of development has finally reached the point where the secret messages of these structures can be decoded to reveal the fate of humanity in the coming Earth changes *From the Words of Angels and Ancient Book of Jika - On the Drama of Initiation in the Atlantean Age and Our Hidden Genesis* Christine Preston, 2011-07-15 This work unravels the great mysteries of the Bible and ancient civilization In introducing her disclosures Christine Preston reveals the meaning of Trees in Scripture as being in connection with Initiation in the Old World The latter being the Atlantis of Plato she reveals original sin as a misuse of power by Atlanteans influenced by Wise Serpents who opposed spiritual evolution She discusses divine human intermarriages and provides a solution for the fact that the Watchers parallel to the Sons of God of Genesis are depicted as evil by disclosing a secondary scenario in Enoch that is illustrated by the Ancient Book of Jika

Identity and Lifestyle: The Forces That Drive the World Mark Romel,2018-04-10 You build your lifestyle around your identity Your identity is your fate You are what you do and you do what you do because of your identity What you do constitutes your lifestyle Most people are so busy with their lifestyle that they fail to consider whether or not their lifestyle is helping them or hindering them You optimize yourself through having an optimal lifestyle but how do you decide what lifestyle is best Most people drift into lazy easy convenient lifestyles acceptable to their peer group that guarantee they will fail in life Changing your lifestyle involves changing your identity and that is the most difficult thing possible for average people They don't have the will Don't bother talking about changing the world unless you are in the business of destroying old identities and lifestyles and creating brand new ones As soon as you try to change a person's sacred identity you are at war with them Are you ready for the mother of all wars

Catastrophobia Barbara Hand Clow, 2001-05-01 Bestselling author Barbara Hand Clow examines legendary cataclysms and shows how we are about to overcome the collective fear they have instilled in us The long awaited follow up that continues the revelations begun in The Pleiadian Agenda which has sold more than 60 000 copies Explains why contrary to many prophets of doom we are actually on the cusp of an era of incredible creative growth The recent discovery of the remains of ancient villages buried beneath the Black Sea is the latest instance of mounting evidence that many of the mythic catastrophes of history the fall of Atlantis the Biblical Flood were actual events In Catastrophobia Barbara Hand Clow shows that a series of cataclysmic disasters caused by a massive disturbance in the Earth's crust 11 500 years ago rocked the world and left humanity's collective psyche permanently scarred We are a wounded species and this unprocessed fear passed from generation to generation is responsible for our constant expectations of apocalypse from Y2K to the famed end of the Mayan calendar in 2012 Catastrophobia reveals the insidious global forces that have used these collective fears to control humanity for thousands of years But we are in the midst of a tremendous shift in the Earth's 26 000 year precessional cycle and there is every indication that the changes in consciousness over the last 30 years are the beginnings of a collective healing from these deep fears heralding a new age where we will see that the era of cataclysms is ending and a time of extraordinary creative activity is at hand
