From Word To Life:

From Word to Life Perry Yoder, 2020-03-14 Few books on Bible study method both explain how and show how Fewer still seek to do this by utilizing current biblical scholarship while writing for informed lay people Virtually no books with the objective demonstrate a competent grasp of both the linguistic and historical school of biblical interpretation From Word to Life fills the gap with this distinctive contribution Written clearly it should enjoy wide usage especially in the classroom setting The book is not written for the beginner in Bible study its best use will be by those who having already started on the pilgrimage of Bible study are at least minimally acquainted with the historical critical method and have thought some about how language works Because of its clarity and scope it will reward both the serious student and the seasoned professor of biblical studies Willard M Swartley The inductive Bible study method presented in this book is motivated by three objectives The first is to show the reasonableness of the way biblical scholars work with the Bible A second motive is to present these methods or ways of study in such a manner that others can also appropriate them for their own use Third and perhaps most importantly it is hoped that through an acquaintance with good Bible study methodology discernment may be gained as to what constitutes valid and invalid uses and interpretations of Scripture Perry Yoder in the Preface Faith in Every Season: Applying God's Word to Life's Trials Matthew Douglas, Ayimah Douglas, 2024-09-11 Are you seeking guidance and strength through life's challenges Faith in Every Season is a powerful and practical resource that helps you apply the timeless wisdom of God's Word to the trials you face every day Whether you're navigating financial stress health concerns relationship issues or career uncertainty this book offers biblical insights and encouragement for every season of life Drawing from over two decades of Christian faith Matthew Douglas and Ayimah Douglas Spouse walks readers through key areas of struggle providing real life scenarios scriptural truths and practical advice to strengthen your faith and reliance on God's promises Each chapter tackles a different challenge from overcoming doubt and fear to finding hope in the midst of loss offering a clear path forward rooted in Scripture Inside Faith in Every Season you'll discover How to apply God's Word to financial stress health concerns parenting challenges and more Biblical promises to guide you through every trial with faith and trust Practical examples of how God's wisdom leads to peace and restoration Encouragement to deepen your relationship with God through every circumstance Whether you're facing a storm or enjoying a season of peace Faith in Every Season is a reminder that God is with you His Word is true and His promises never fail This book will inspire you to live with unwavering faith no matter what life brings Bringing the Word to Life Richard Ward, Richard F. Ward, David Trobisch, 2013-04-27 The New Testament books were written to be read aloud The original audiences of these texts would have been unfamiliar with our current practice of reading silently and processing with our eyes rather than our ears so we can learn much about the New Testament through performing it ourselves Richard Ward and David Trobisch are here to help Bringing the Word to Life walks the reader through what we know about the culture of performance in the first and second centuries what it took to
