JOHN MICHAEL PRIEST

# From New Bern To Fredericksburg

**Egbert GUERNSEY**

## **From New Bern To Fredericksburg:**

The First Republican Army John H. Matsui, 2017-01-04 Although much is known about the political stance of the military at large during the Civil War the political party affiliations of individual soldiers have received little attention Drawing on archival sources from twenty five generals and 250 volunteer officers and enlisted men John Matsui offers the first major study to examine the ways in which individual politics were as important as military considerations to battlefield outcomes and how the experience of war could alter soldiers political views The conservative war aims pursued by Abraham Lincoln's generals and to some extent the president himself in the first year of the American Civil War focused on the preservation of the Union and the restoration of the antebellum status quo This approach was particularly evident in the prevailing policies and attitudes toward Confederacy supporting Southern civilians and slavery But this changed in Virginia during the summer of 1862 with the formation of the Army of Virginia If the Army of the Potomac the major Union force in Virginia was dominated by generals who concurred with the ideology of the Democratic Party the Army of Virginia though likewise a Union force was its political opposite from its senior generals to the common soldiers The majority of officers and soldiers in the Army of Virginia saw slavery and pro Confederate civilians as crucial components of the rebel war effort and blamed them for prolonging the war The frustrating occupation experiences of the Army of Virginia radicalized them further making them a vanguard against Southern rebellion and slavery within the Union army as a whole and paving the way for Abraham Lincoln to issue the Emancipation Proclamation

Upon the Fields of Battle Andrew S. Bledsoe, Andrew F. Lang, 2018-11-07 New developments in Civil War scholarship owe much to removal of artificial divides by historians seeking to explore the connections between the home front and the battlefield Indeed scholars taking a holistic view of the war have contributed to our understanding of the social complexities of emancipation of freedom in a white republic and the multifaceted experiences of both civilians and soldiers Given these accomplishments research focusing on military history prompts prominent and recurring debates among Civil War historians Critics of traditional military history see it as old fashioned too technical or irrelevant to the most important aspects of the war Proponents of this area of study view these criticisms as a misreading of its nature and potential to illuminate the war The collected essays in *Upon the Fields of Battle* bridge this intellectual divide demonstrating how historians enrich Civil War studies by approaching the period through the specific but nonetheless expansive lens of military history Drawing together contributions from Keith Altavilla Robert L Glaze John J Hennessy Earl J Hess Brian Matthew Jordan Kevin M Levin Brian D McKnight Jennifer M Murray and Kenneth W Noe editors Andrew S Bledsoe and Andrew F Lang present an innovative volume that deeply integrates and analyzes the ideas and practices of the military during the Civil War Furthermore by grounding this collection in both traditional and pioneering methodologies the authors assess the impact of this field within the social political and cultural contexts of Civil War studies *Upon the Fields of Battle* reconceives traditional approaches to subjects like battles and battlefields practice and policy command and culture

the environment the home front civilians and combatants atrocity and memory revealing a more balanced understanding of the military aspects of the Civil War s evolving history      **History of Otsego County, New York** Duane Hamilton Hurd,1878      *Civil War Eyewitnesses* Garold Cole,2000 A bibliographical guide to recently published Civil War diaries journals letters and memoirs      General Edwin Vose Sumner, USA Thomas K. Tate,2013-10-01 This biography of General Edwin Vose Sumner emphasizes his role in developing the mounted arm of the U S Army Born in Boston in 1797 he abandoned a merchant s career and entered the U S Infantry in 1819 Transferring to the Dragoons in the 1830s Sumner established the Cavalry School of Practice at Carlisle Barracks Pennsylvania Among his students was the future Confederate General Richard S Ewell Sumner served with distinction throughout the Mexican War and maintained a balance between the warring factions in Kansas in the mid 1850s his efforts earning him the displeasure of the Pierce administration He led an expedition against the Cheyennes with subordinates that included future Civil War generals John Sedgwick and Samuel Sturgis as well as the capable but headstrong Lieutenant Jeb Stuart Replacing Albert Sidney Johnston in California in 1861 Sumner kept the state in the Union Returning east he commanded the Second Corps throughout 1862 and died of pneumonia in March 1863      McClellan's War Ethan S. Rafuse,2011-11-23 An important book that rescues George B McClellan s military reputation Chronicles Bold brash and full of ambition George Brinton McClellan seemed destined for greatness when he assumed command of all the Union armies before he was 35 It was not to be Ultimately deemed a failure on the battlefield by Abraham Lincoln he was finally dismissed from command following the bloody battle of Antietam To better understand this fascinating however flawed character Ethan S Rafuse considers the broad and complicated political climate of the earlier 19th Century Rather than blaming McClellan for the Union s military losses Rafuse attempts to understand his political thinking as it affected his wartime strategy As a result Rafuse sheds light not only on McClellan s conduct on the battlefields of 1861 62 but also on United States politics and culture in the years leading up to the Civil War Any historian seriously interested in the period will come away from the book with useful material and a better understanding of George B McClellan Journal of Southern History Exhaustively researched and lucidly written Rafuse has done an excellent job in giving us a different perspective on Little Mac Civil War History Rafuse s thoughtful study of Little Mac shows just how enthralling this complex and flawed individual continues to be Blue Gray magazine      **History of Worcester in the War of the Rebellion** Abijah Perkins Marvin,1870 This history was designed to embrace the life of Worcester at home and in the field during the entire period of the war      *Major General Ambrose E. Burnside and the Ninth Army Corps* Augustus Woodbury,1867

*Captain James Wren's Civil War Diary* John M. Priest,Robert Brown,1997-07 Young James Wren survived in the Union Army from April 1861 to May 1863 His regiment the 48th PA Volunteers saw some of the war s most blistering combat in North Carolina at Second Manassas South Mountain Antietam Fredericksburg This is Capt Wren s remarkable true story in his own words Researched by 10 talented high school students under the editor s supervision this incredible document offers

a firsthand day by day account of the Civil War The diary reveals new insights into race relations between enlisted soldiers as well as the troops attitudes toward the enemy local civilians Maps      *The 21st North Carolina Infantry* Lee W. Sherrill, Jr.,2015-04-14 The 21st North Carolina Troops 11th North Carolina Volunteers was one of only two Tar Heel Confederate regiments that in 1865 could boast From Manassas to Appomattox The 21st was the only North Carolina regiment with Stonewall Jackson during his 1862 Valley Campaign and remained with the same division throughout the war It participated in every major battle fought by the Army of Northern Virginia except the 1864 Overland Campaign when General Lee sent it to fight its own intense battles near New Bern and Plymouth This book is written from the perspective of the 1 942 men who served in the regiment and is filled with anecdotal material gleaned from more than 700 letters and memoirs In several cases it sheds new light on accepted but often incorrect interpretations of events Names such as Lee Jackson Hoke Trimble Hill Early Ramseur and Gordon charge through the pages as the Carolina regiment gains a name for itself Suffering a 50 percent casualty rate over the four years only 67 of the 920 young men and boys who began the war surrendered to Grant at its end

*From Arlington to Appomattox* Charles R. Knight,2021-06-15 Brilliant really gives one a sense of what it took to both lead and run an army in the Civil War Superb Chris Kolakowski author of *The Virginia Campaigns* March August 1862 In *From Arlington to Appomattox* Charles Knight does for Robert E Lee and students of the Civil War what E B Long s *Civil War Day by Day* did for our understanding of the conflict as a whole This is not another Lee biography but it is every bit as valuable as one We know Lee rode out to meet the survivors of Pickett s Charge and accept blame for the defeat that he tried to lead the Texas Brigade in a counterattack to save the day at the Wilderness and took a tearful ride from Wilmer McLean s house at Appomattox But where was Lee and what was he doing when the spotlight of history failed to illuminate him Focusing on what he was doing day by day offers an entirely different appreciation for Lee Readers will come away with a fresh sense of his struggles both personal and professional and discover many things about Lee for the first time through his own correspondence and papers *From Arlington to Appomattox* is a tremendous contribution to the literature of the Civil War Knight s study will become the standard reference work on Lee s daily wartime experiences R E L Krick author of *Staff Officers in Gray* A staggering work of scholarship Jeffry D Wert author of *A Glorious Army* Robert E Lee s Triumph 1862 1863 A pleasure to read Michael C Hardy author of *General Lee s Immortals* Keeps the reader engaged *Journal of America s Military Past*      Theophilus Hunter Holmes Walter C. Hilderman III,2013-11-21 The son of a North Carolina governor Theophilus Hunter Holmes graduated from the United States Military Academy in 1829 and served on the frontier during the Trail of Tears He fought in the Second Seminole War and in the U S Mexican War In 1859 he became the U S Army s chief recruiting officer and was assigned to Governors Island at New York City Only days before resigning from the U S Army he helped organize the naval expedition sent to relieve Fort Sumter from the Confederacy s blockade But then casting his lot with his native state Holmes led a Confederate brigade at First Manassas and a division during the Peninsular Campaign

commanded armies in the Trans Mississippi and organized North Carolina's young boys and old men into the Confederate Reserves. Holmes served with some of America's most notable historic figures: Zachary Taylor, Winfield Scott, Robert E. Lee, and Jefferson Davis. In modern times, however, he is virtually unknown. The man and the soldier possessed traits of both triumph and tragedy, as demonstrated in this biography.

**Fighting for General Lee** Sheridan R. Barringer, 2015-12-15 A remarkable biography of a Confederate brigadier general's experiences during and after the Civil War. Well written and deeply researched. Eric J. Wittenberg, author of *Out Flew the Sabers*. Rufus Barringer fought on horseback through most of the Civil War with General Lee's Army of Northern Virginia and rose to lead the North Carolina Cavalry Brigade in some of the war's most difficult combats. This book details his entire history for the first time. Barringer raised a company early in the war and fought with the 1st North Carolina Cavalry from the Virginia peninsula through Second Manassas, Sharpsburg, Fredericksburg, and Chancellorsville. He was severely wounded at Brandy Station and as a result missed the remainder of the Gettysburg Campaign, returning to his regiment in mid-October 1863. Within three months, he was a lieutenant colonel, and by June 1864, a brigadier general in command of the North Carolina Brigade, which fought the rest of the war with Lee and was nearly destroyed during the retreat from Richmond in 1865. The captured Barringer met President Lincoln at City Point, endured prison, and after the war, did everything he could to convince North Carolinians to accept Reconstruction and heal the wounds of war. Drawing upon a wide array of newspapers, diaries, letters, and previously unpublished family documents and photographs, as well as other firsthand accounts, this is an in-depth, colorful, and balanced portrait of an overlooked Southern cavalry commander. It is easy today to paint all who wore Confederate gray with a broad brush because they fought on the side to preserve slavery, but this biography reveals a man who wielded the sword and then promptly sheathed it to follow a bolder vision, proving to be a champion of newly freed slaves, a Southern gentleman decades ahead of his time.

Biographical Annals of Montgomery County, Pennsylvania, Containing Genealogical Records of Representative Families, Including Many of the Early Settlers and Biographical Sketches of Prominent Citizens Ellwood Roberts, 1904

*American Civil War* Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period, ranging from pre-Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war-torn nation during Reconstruction. The Civil War was undoubtedly the most important and seminal event in 19th-century American history. Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative: states' rights versus federalism, freedom versus slavery, the role of the military establishment, the extent of presidential powers, and individual rights versus collective rights. Many of these dilemmas continue to shape modern society and politics. This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field. The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes, important figures, both civilian and military, weapons, government relations, with

Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict

Crute, 1987 Provides a brief history and certain information such as organization campaigns losses commanders etc for each unit listed in Marcus J Wright's List of Field Officers Regiments and Battalions in the Confederate States Army 1861-1865 Intro p xi

*History of Illinois Republicanism* Green Berry Raum, 1900

**The national almanac and annual record**, 1863

The book delves into From New Bern To Fredericksburg. From New Bern To Fredericksburg is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into From New Bern To Fredericksburg, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
    - Chapter 1: Introduction to From New Bern To Fredericksburg
    - Chapter 2: Essential Elements of From New Bern To Fredericksburg
    - Chapter 3: From New Bern To Fredericksburg in Everyday Life
    - Chapter 4: From New Bern To Fredericksburg in Specific Contexts
    - Chapter 5: Conclusion
  2. In chapter 1, this book will provide an overview of From New Bern To Fredericksburg. The first chapter will explore what From New Bern To Fredericksburg is, why From New Bern To Fredericksburg is vital, and how to effectively learn about From New Bern To Fredericksburg.
  3. In chapter 2, this book will delve into the foundational concepts of From New Bern To Fredericksburg. The second chapter will elucidate the essential principles that must be understood to grasp From New Bern To Fredericksburg in its entirety.
  4. In chapter 3, this book will examine the practical applications of From New Bern To Fredericksburg in daily life. The third chapter will showcase real-world examples of how From New Bern To Fredericksburg can be effectively utilized in everyday scenarios.
  5. In chapter 4, the author will scrutinize the relevance of From New Bern To Fredericksburg in specific contexts. This chapter will explore how From New Bern To Fredericksburg is applied in specialized fields, such as education, business, and technology.
  6. In chapter 5, the author will draw a conclusion about From New Bern To Fredericksburg. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of From New Bern To Fredericksburg.
