A Spent Bullet Curt Iles, 2011-08-31 Late summer 1941 Louisianas piney woods are engulfed by a tidal wave of soldiers engaged in the largest army maneuvers ever undertaken on American soil For many of these young men as well as the isolated Southern communities life will never be the same Although no one knows it our nation will be at war in three months Elizabeth Reed is a young Louisiana schoolteacher who dislikes soldiers Harry Miller is a Wisconsin soldier who hates Louisiana It only makes sense that they should meet and fall in love Their story begins with a bulletan empty cartridge tossed from a truckload of soldiers The note inside it will change the destinies of these two young people In the midst of large scale battles between the red and blue armies Harry and Elizabeth are each fighting their own war with dark secrets from their pasts They have nothing in common except mutual desires to escape these pasts In spite of clashing at every turn they run right into each others arms as they jointly learn that the hardest person to forgive is

yourself Within this clash of cultures lies the core message of *A Spent Bullet* Rural Louisiana is never the same and neither are the soldiers who learn about Louisiana mud mosquitoes and misery mixed with memorable Southern hospitality More than a love story *A Spent Bullet* recreates a memorable but largely forgotten time in Louisiana and our nations history Told in the warm and touching style loved by readers of his previous eight books Curt Iles weaves a story of love history and redemption

She Can't Love You Better Sha Jones, 2017-02-22 With tears streaming down her cheeks Blair looked at the man that used to belong to her and asked Why don't you love me the way that you love her For five years Blair has been caught up in a steamy love triangle that she just can't seem to wiggle her heart out of because of the undying love that she has for a man who everyone calls Poppa Blair had been giving Poppa her all and loving him from the pit of her soul She's also given him the best sex that he has ever had in his life making sure to satisfy his body in every way imaginable However it's just not enough for a young bull like Poppa who's always on the prowl for new panties to slide to the side Although Poppa considers himself something like a player he has a beautiful and sophisticated woman Angela waiting at home with open arms but there's only two problems Blair knows who Angela is and Angela knows who Blair is Both ladies relentlessly battle for Poppa's tainted love and refuse to let go While Blair and Angela are at war with each other Poppa bounces back and forth like a ping pong ball between the two women not realizing the damage that's about to unfold After five years of lies betrayal and heartbreak a wave of drama comes Poppa's way and the ripple is too deep to swim out of In this new overheated love story Sha Jones brings a new meaning to the phrase A thin line between love and hate **The Simple Life** Robert Peel, 2018-09-30 I seriously began writing down many of the John Robert and Bobby Lyon stories when grandchildren started arriving But I began telling them to my children Bobby Greer and Andy over 25 years ago The main characters Bobby Lyon and John Robert

were the imaginary friends of Bobby Soon Greer told me of Sally Cappie Cathy and the twins Tina and Sasha In time John Robert and Bobby Lyon evolved into cousins raised on the family farm and the girls became Bobby Lyon s sisters By the time Andy came along the stories had seasoned and each character possessed his own individuality This book is made up of a series of loosely related short stories which can stand alone or read as one to create a larger narrative Grownups pass down stories of the family the land the community and their faith Four generations presently live on and work this land Few people today believe a place exists like the farm Bobby Lyon John Robert and their families live on though it is not the ground the terra firma that is special but the people who have chosen this small corner of the whole big world as home I hope I have done the stories my family enjoyed justice
