EXERCISE FOR FINDING BALANCE IN MIND AND BODY AND RELEASING SHAME

FREE  
PRINTABLE

## 10 STEPS TO RELEASING THE ENERGY OF SHAME

This exercise is designed to help you become aware of the bodily sensations, postures, and deep-rooted memories associated with unconscious shame. By doing so, you can release it from your nervous system. For some, this exercise will be more effective than changing thoughts and behaviors, because once the energy of unconscious shame is released, its effects also dissipate.

As you follow these steps, trust your intuition to guide you. Trust that whatever comes up, is right for you. If at any time the exercise feels uncomfortable, stop and take some time to ground yourself. It is also recommended that you work with a therapist if needed.

**Step 1:** When you're triggered or notice shame-based thoughts and feelings, start by paying attention to your body.

- What sensations do you notice? Are there physical signs, such as tightness in your chest, throat, solar plexus, or stomach, increased heart rate, shallow breathing, etc?
- What does your posture indicate about your mood and sense of self? Are your shoulders slumped? Is your gaze lowered? Are you instinctively trying to make yourself small?

**Step 2:** Notice what you feel like doing and what actions you instinctively want to take when you experience shame. How does your body want you to act?

*Finding Peace in the Midst of the Broken Pieces* Mimi Kashira Haws, 2023-10-04 As people we all struggle with stress moments of panic times of confusion and other times that we feel overwhelmed and we can't sleep And if it was up to the devil he would be more than happy to medicate all of us with his fake remedies of alcohol and drugs He is an opportunist experienced in using our problems our vulnerability our wounding our pain our traumatic past experiences to get us where he wants He is good at offering temporary relief for deeper crises of the soul This is my true story of God stepping into my messy shattered and broken family life and rescuing me You see freedom according to Satan is being away from God I don't think my son had any idea of who the devil was or how cunning he could be He befriends to destroy he gives to take away As

a mother of an adult struggling with addiction my life was paralyzed Every breath increased my pain of hopelessness and despair I felt afraid alone and abandoned by God God seemed distant absent silent and unconcerned I felt like running but there was no place to hide Was God punishing me Where and how did I go wrong Sharing my painful journey was not an easy step I tried at all costs to hide this painful part of my life It took years in my classroom of pain for my mind to be unshackled by the Teacher the Holy Spirit I no longer need to hide nor be ashamed of my challenges with my prodigal son Nevertheless breaking free from shame stigma and judgment is a process that took years When we only let others see the beautiful parts of our stories avoiding our broken painful chapters we mislead people and perhaps they envy us for what they falsely think are perfect lives Worse we misrepresent the power of the good news that reaches down into our broken souls hearts and lives to provide peace from our broken pieces Dear waiting praying and expecting parents of struggling children I believe God wants to usher you to your own breakthrough healing and freedom You can learn to relinquish your children to God Do not lose hope Have faith In his time he will make all things beautiful for us God wastes nothing even our pain     The Glass Angel: A guide to freedom, peace, transformation and growth. Unlocking your Potential Christina E Foxwell, 2022-08-17

Christina E Foxwell's life can be defined as a series of hardships setbacks and decisions made from fear or to meet the expectations others had of her The daughter of a Pentecostal minister the South African born author Mother wife daughter grandmother business woman and Performance Transformation coach allowed other's opinions of her no matter how wrong or cruel to define who she was as a young child young woman and ultimately well into adulthood Thus began a lifetime of self doubt shame and self sabotage Often overlooked and underappreciated she learned early on that her innermost thoughts and dreams and even her well being weren't of much importance to those around her She was often ridiculed for her thoughts and perceived bad behavior She had to cope with name calling cruel taunts and scorn for even minor infractions or for no reason at all In time Christina did what so many in her situation would've done She donned a proverbial shield of armor to protect herself from pain just to get through day to day life and have some semblance of a life even if it wasn't of her own design How she saw herself was shaped by what others said about her and how they treated her The Glass Angel details the years she lived under the weight of those unfounded and incredibly harmful notions This book is part memoir part cautionary tale part inspirational how to for anyone who has ever felt like the world was against them In it she shares her journey from the darkest moments of her life to finding herself learning to forgive the past and seek light and clarity and let them lead the way forward Her story will open your eyes and mind to what's possible It proves that even when you are at your absolute lowest and fear you'll never find your way out of despair shame or a lifetime of guilt there is hope on the other side While there are many reasons for her to feel sorry for herself she chose another path one that helped her heal from the trauma and discover who she was and what she had to do to feel comfortable in her skin and heal from all the things that weighed her down for years She found a path forward She made a pact with herself to stop living the life of a broken angel and embrace

what she calls her alchemy That s how this book came to be It s her way of helping others who ve known pain and made it to the other side She is giving readers permission to not only survive but thrive by igniting their own alchemy and using it to transform their lives from the inside out
