## **From Then Til Now:**

*From Then 'til Now* Carol Peterson, 2004 I have felt for many years that there have perhaps never been a 75 to 100 years that have seen so much progress and change both for good and bad Life has always been mixed with both good times and bad times and so it will until the Lord returns But this type of good and bad is not what I am writing about In the horse and buggy era and early years of the car there were a lot of hard times poverty sickness and epidemics but by and large the moral fiber of most people was much better than now There are many things to blame but the sad part of this is that I believe the Christians are the most to blame for not getting involved The scapegoat idea it s all in the Lord s hands we don t have to worry or do anything In the meantime much has happened because of the ACLU our court system the pressure of the entertainment world and the Democratic party and too many Republicans voting wrong It is already illegal for the kids to pray in school or even take their Bible to school They are trying to get In God We Trust off our money and take for God and Country out of the Pledge of Allegiance However I feel there is a trend now of thinking seriously about God and morals and hard work and there will have to be if this world is going to last So I am dedicating this to my nine children grandchildren and great grandchildren and anyone who reads it that it will help them see what a change has taken place in the 1900 s and that it might help them on the road of life plus hopefully bring some enjoyment From Then Until Now Terry Stewart

Homewood, 2011-09-21 This book is an accumulation of poetry from the age of 15 to 51 It is my ups and downs my highs and lows my happiness and sadness There were many years nothing was written It is hard for me to write when there is nothing to say and still write it well At 23 I was in a horrifying car accident in which I almost lost my daughter and myself I had to grow up again and learn again It was a painstaking process Thirteen years later I came down with bacterial spinal meningitis The terrifying pain in my brain made me want to die and although I asked God to take me I finally realized that He had a different road for me to take Now I want to be and do the best I can no matter the road Im on I write because I love to write I write because there is a story to tell that maybe someone may learn from that maybe a situation can be changed for the better that all is not lost at least not forever and the days will get brighter for with motivation and perspiration we can move mountains That God is always with us that He carries us in his arms watches us grow and wants us to mature into loving people for with love there is everything *From Then Until Now* Maurice C. Wright, 2016-10-13 This book was written by me Maurice C Wright as a way of sharing some of the many memories tidbits and other recollections that have been in my mind for many years Through this book I am passing these on to family friends and others that may be interested in reading these stories Each memory tidbit and other recollection has been written to stand alone or to be read as an entire book Therefore the reader will find a repeat of information in multiple stories as that information is pertinent to each Praise be to God for the many memories tidbits and other recollections that I am sharing through this book and for the many other stories that are still in my mind and have not been reduced to written form From Then until Now Compiled by Men of a Certain
