From Tragedy To Triumph:

From Tragedy to Triumph Kaye Fussell Long, 2011-04 Kaye Long s life turned upside down one sunny day in 2002 when her mother just fifty four suffered a massive stroke Within two and a half weeks both her mother and grandmother were dead and Kaye was suddenly the family matriarch Her mother an award winning reading teacher and director of music at their church for thirty years was gone and everyone looked to her oldest daughter for comfort strength and inspiration Kaye was strong and responsible on the outside arranging the funeral details and assuring loved ones that her mother and grandmother were in a better place but on the inside she was falling apart Focused on helping others she repressed her own grief and anxiety Rather than drawing them closer to each other the loss strained the family Why had God laid such a burden on them A lifelong Christian and musician Kaye was even tempted to stop going to her church in hopes of avoiding the pain How could Kaye carry on the legacy of this beloved and successful woman What about her own gifts Where did they fit Supported by scripture and help from authors such as James Dobson and Rick Warren Kaye was able to journey step by step through the tragedy and discern God's plan for her Those who wonder where God is in the wake of loss will find solace and From Tragedy to Triumph Carol Johnson, Julia Crowder, 1994 From Tragedy to Triumph! Joanne Theresa Martin, 2013-12 I am asking myself how did I handle what God ultimately revealed to me Did I become an enabler and allow my husband to continue Was I a good steward of the truth that God allowed me to discover Did I stand up for what was right Did I protect what God had given to me Did I crumble under what the devil meant for evil What would you have done in such tests We are all accountable to God and no matter how painful it may be we must remain faithful to Him Remain faithful even if it means uncovering your sin so that God can cover you and protect you and free you from it so that you would be able to live and not die In my book I hope to express my deepest feelings and my deepest hurts and my deepest love for Jesus and His redemption His hope for redemption not only for the sinner but for the one sinned against I hope that this book would affect people in a way that they would allow Jesus to cover their sin and be their salvation My cry is no matter how wicked or hopeless you may feel that you may see hope for your future My hope is that there would no longer be desperation in your life but redemption and the hope to live and not die God showed me how to handle a dreadful situation that turned even more dreadful and tragic In this is my triumph I found that no matter what I must hold on to the hope and the calling God had given me and that I must be prepared to give a testimony for the strength that lies within me 1 Peter 3 15 From **Tragedy to Triumph:.** Shanti D. Bard, 2002-06-30 From 1984 to 1991 Israel conducted a series of dramatic rescues bringing thousands of Ethiopian Jews to the state of Israel Codenamed Operation Sheba this effort involved various covert means including large scale airlifts and exchanges for arms to save these Jews from intolerable conditions in Ethiopia and the Sudan But as dramatic and uplifting as this effort was there are still troubling questions about why it took so many years for Israel to act on behalf its African compatriots This is the complete story behind the Israeli rescue of the Jews of Ethiopia how tragedy was turned into triumph These rescue operations represented the culmination of complex political maneuvering in Israel and illustrated what Israeli resolve can accomplish when Jewish lives are endangered It was an inspiring effort as William Safire wrote at the time thousands of black people are being brought to a country not as slaves but as citizens On the other hand there is much to deplore how long it took for the leaders of Israel to recognize and take action to save this ancient African branch of the Jewish Diaspora known as the Falasha The reasons are the result of the complex intersection of Israeli geostrategy pressure from the American Jewish community and Ethiopian domestic politics as well as racism and debates about the Jewishness of the Falasha community From Tragedy to Triumph Jeremiah Klaas, 2019-12-26 If God is a good Father why would He make the Christian life so hard He wouldn t God made the Christian
