Frommersr Turkey:

Crescent and Star Stephen Kinzer, 2008-09-16 Reports on conditions in Turkey at the beginning of the twenty first century looking at the country's potential to become a world leader and examining the factors that could keep that from happening

Tales from the Expat Harem Anastasia M. Ashman, 2010-03 As the Western world struggles to comprehend the paradoxes of modern Turkey a country both European and Asian forward looking yet rooted in ancient empire *Tales from the Expat Harem* reveals its most personal nuances This illuminating anthology provides a window into the country from the perspective of thirty two expatriates from seven different nations artists entrepreneurs Peace Corps volunteers archaeologists missionaries and others who established lives in Turkey for work love or adventure Through narrative essays covering the last four decades these diverse women unveil the mystique of the Orient describe religious conflict embrace cultural discovery and maneuver familial traditions customs and responsibilities Poignant humorous and transcendent the essays take readers to weddings and workplaces down cobbled Byzantine streets into boisterous bazaars along the Silk Road and deep into the feminine stronghold of steamy Ottoman bathhouses The outcome is a stunning collection of voices from women suspended between two homes as they redefine their identities and reshape their worldviews Coining the expat harem as a distinct community the editors also boldly reclaim the concept of an Eastern harem long the subject of erroneous Western stereotype Much like the imported brides of fifteenth century sultans our expat harem is conjured by the shared circumstance of being foreign born and female in a land laced with a harem tradition Ashman and Gokmen declare Our writers are inextricably wedded to Turkish culture embedded in it yet alien nonetheless

resource for those seeking to understand this pivotal region **Kismet** Charles MacFarlane,1853 *Turkey* Emil Lengyel,1941 **Crescent and Star** Stephen Kinzer,2001-09-22 A sharp spirited appreciation of where Turkey stands now and where it may head Carlin Romano The Philadelphia Inquirer In the first edition of this widely praised book Stephen Kinzer made the convincing claim that Turkey was the country to watch poised between Europe and Asia between the glories of its Ottoman past and its hopes for a democratic future between the dominance of its army and the needs of its civilian citizens between its secular expectations and its Muslim traditions In this newly revised edition of *Crescent and Star* he adds much important new information on the many exciting transformations in Turkey's government and politics that have kept it in the headlines and also shows how recent developments in both American and European policies and not only the war in Iraq have affected this unique and perplexing nation *Turkey* George S Harris,1985-11-18 **Modern Turkey** James Lewis Farley,1872 *The Rebirth of Turkey* Clair Price,2021-11-05 In *The Rebirth of Turkey* Clair Price meticulously chronicles the tumultuous journey of Turkey from the ashes of the Ottoman Empire to its emergence as a modern nation state Employing a blend of historical narrative and socio political analysis Price adeptly navigates the complexities of this transformation revealing the interplay between nationalism secularism and cultural identity The book is distinguished by its rich tapestry of primary sources providing readers with a nuanced understanding of both the triumphs and tribulations that have shaped contemporary Turkish society Clair Price a scholar with a profound interest in Middle Eastern history and politics draws upon her extensive field research and experiences living in Turkey Her background as a cultural anthropologist informs her exploration of the socio political dynamics within the country as she examines the broader implications of Turkey's rebirth within global contexts Price's commitment to illuminating lesser known voices enriching the narrative exemplifies her dedication to thorough scholarship and cultural empathy This compelling work is essential reading for anyone seeking to understand Turkey's pivotal role in the past century's geopolitical landscape As Price's vivid prose captures the essence of a nation at a crossroads *The Rebirth of Turkey* not only informs but also invites readers to reflect on the rich tapestry of history and culture that continues to define Turkey today *Everyday life in Turkey* lady Agnes Dick Ramsay,1897 **BEING THE OTHER IN TURKEY** Aslihan Kas,Advocates of Silenced Turkey, A photo frame can sometimes loudly shout out the truth that hundreds of striking words may have difficulty in elucidating As AST we wanted to utilize the power of images to demonstrate the violations of rights that we have also tried to announce with reports and special studies This book in your hand focuses on people from all walks of life who have been subjected to the ruthless persecution of the regime in Turkey during the last decade Especially after the coup attempt of 15 July 2016 it is a reality that many people who have never been involved in violence in their lives have been subjected to monstrous pressure and discrimination just because of their social affiliations The state apparatus which has been rapidly evolving towards a one party dictatorship overturned all the rules of law in the ensuing period shelved the constitutional rights and decriminalized

legal acts that could never be considered a crime within the framework of universal principles and even made a blatant attempt to retroactively exploit these newly defined crimes to sentence people. As part of the mass cultural genocide perpetrated against the members of the Gülen Movement also known as Hizmet, investigations were launched against more than 1.5 million people for terrorism allegations. 300,000 people were detained. More than 100,000 people were arrested. 234,419 passports revoked. More than 17,000 women were arrested. Nearly 900 babies had to grow up in prison with their mothers. Hundreds of thousands were laid off from their jobs. Properties of thousands of people were forcibly confiscated. As AST we wanted to record the intense oppression and persecution and to demonstrate the unlawful and anti-democratic practices of the political regime in Turkey and make a note of history with 159 photographs some of which could be the symbols of this period. For example among many others the photos featured Zabit Kisi who was tortured for 108 days and lost 30 kilos due to intense torments. Bilal Konak, a bomb disposal expert who was sent to prison on account of the membership in a terrorist organization years after he became blind and had a 98 percent disability when a bomb exploded while he was trying to defuse it or Ms Hacer whose hospital room door was well guarded by a police team that was there to detain her soon after she gave birth. We were unable to demonstrate all the atrocities due to the physical limitations of this book. Yet the book will achieve its purpose if it can interpret the sufferings of the innocent masses albeit with a weak voice.

Daybreak in Turkey James Levi Barton, 1908 **The Women of Turkey and Their Folk-lore** Lucy Mary Jane Garnett, John S. Stuart-Glennie, 1891 Letters From Turkey Kelemen Mikes, 2018-10-24. First published in 2000. Letters from Turkey considered the best Hungarian prose of the eighteenth century is written by Kelemen Mikes a Transylvanian nobleman who went into exile with Ferenc Rakóczi II the Prince of Transylvania after the War of Independence in 1704-1711 in which the Prince fought to preserve independent Transylvania. The Prince and his entourage spent some years in France and were then invited to Turkey by Sultan Ahmed III going there in 1717. Some of the party eventually left but like Rakóczi Mikes spent the rest of life in exile in Turkey. This memoir had a considerable vogue in Transylvania at the time and Mikes writes in a well established tradition. The 207 letters never before translated from Hungarian were addressed over some forty years to an aunt in Constantinople. In them Mikes speaks of the Hungarians daily life their hopes and disappointments and of current events in Turkey and beyond he describes the deaths of some of the party including that of the Prince himself. He also gives an account of a military campaign along the Danube and an embassy to Moldova ranging over religious historical and philosophical topics and recounting numerous anecdotes. All the while his patriotic feelings never leave him nor does his affection not unblinking for his Prince. The last letter written four years before his death sees him become head of the Hungarian community in Turkey last survivor of the original band of Transylvanian nobles exiled to a far country. **Turkey** Meral Güçlü, 1981. This volume includes annotated entries on works dealing with Turkey's history geography economy and politics. It also looks at the Turkish people their culture customs religion and social organization. Attention is given to living
