Frontier Trails Frank M. Canton,1966 Encyclopedia of Frontier Biography: A-F Dan L. Thrapp,1991-06-01 Includes biographical information on 4 500 individuals associated with the frontier **Alias Frank Canton** Robert K.

DeArment,1997-09-01 nineteenth century and the first quarter of the twentieth Western historian Robert K DeArment has tracked down the facts of the mysterious Canton s early life and misdeeds in Texas his participation in the Johnson County War as an agent of the Wyoming Stock Growers Association his pursuit of the Daltons Bill Doolin and other outlaws in Oklahoma Territory his experiences as a peace officer and gold prospector in Alaska his career as a bounty hunter and his

Masonic Generals of the Oklahoma National Guard: 1894-1965 Trasen Solesmont Akers,2014 A collection of biographies of Adjutants General of the Oklahoma National Guard and Commanding Generals of the 45th Infantry Division that were members of the Masonic Fraternity of Oklahoma *The Cattlemen* Mari Sandoz,1978-01-01 This thundering book by the author of *Old Jules* is the story of the vast cattle industry of the American West stupendous in length concept and achievement it is the result of a lifetime of knowledge and research The whole story is here long but never dull written with humor and understatement Kirkus Service Here tough as whang leather nourishing as pemmican turbulent as Dodge City on a Saturday night in the late 1870s is what time may well decide is the definitive history of the founding and flourishing of the cattle industry on this continent This splendid book says more and says it better about the most romantic figures of the old West than dozens of other books that have ranged over this familiar ground Mari Sandoz has given herself room to move with tremendous drive and scholarship Victor P Hass Chicago Sunday Tribune Drawing the fullest flavor from her expert descriptive technique Mari Sandoz has written a regional history to stand among the best of its kind Library Journal A Catalogue of the Everett D. Graff Collection of Western Americana Colton Storm,1968 The Everett D Graff Collection of Western Americana consists of some 10 000 books manuscripts maps pamphlets broadsides broadsheets and photographs of which about half are described in the present catalogue The Graff Collection displays the remarkable breadth of interest knowledge and taste of a great bibliophile and student of Western American history From this rich collection now in The Newberry Library Chicago its former Curator Colton Storm has compiled a discriminating and representative Catalogue of the rarer and more unusual materials Book jacket **The Negro Cowboys** Philip Durham,1965-01-01 More than five thousand Negro cowboys joined the round ups and served on the ranch crews in the cattleman era of the West Lured by the open range the chance for regular wages and the opportunity to start new lives they made vital contributions to the transformation of the West They their predecessors and their successors rode on the long cattle drives joined the cavalry set up small businesses fought on both sides of the law Some of them became famous Jim Beckwourth the mountain man Bill Pickett king of the rodeo Cherokee Bill the most dangerous man in Indian Territory and Nat Love who styled himself

Deadwood Dick They could hold their own with any creature man or beast that got in the way of a cattle drive They worked hard thought fast and met or set the highest standards for cowboys and range riders

Custer, the Seventh Cavalry, and the Little Big Horn Mike O'Keefe, 2012-11-20 Since the shocking news first broke in 1876 of the Seventh Cavalry's disastrous defeat at the Little Big Horn fascination with the battle and with Lieutenant George Armstrong Custer has never ceased Widespread interest in the subject has spawned a vast outpouring of literature which only increases with time This two volume bibliography of Custer literature is the first to be published in some twenty five years and the most complete ever assembled Drawing on years of research Michael O Keefe has compiled entries for roughly 3 000 books and 7 000 articles and pamphlets Covering both nonfiction and fiction but not juvenile literature the bibliography focuses on events beginning with Custer's tenure at West Point during the 1850s and ending with the massacre at Wounded Knee in 1890 Included within this span are Custer's experiences in the Civil War and in Texas the 1873 Yellowstone and 1874 Black Hills expeditions the Great Sioux War of 1876-77 and the Seventh Cavalry's pursuit of the Nez Percés in 1877 The literature on Custer the Battle of the Little Big Horn and the Seventh Cavalry touches the entire American saga of exploration conflict and settlement in the West including virtually all Plains Indian tribes the frontier army railroading mining and trading Hence this bibliography will be a valuable resource for a broad audience of historians librarians collectors and Custer enthusiasts

Death and Danger on the Western Frontier Jeremy Agnew, 2025-07-07 In modern times men and women in America expect to lead long and fruitful lives In the second half of the nineteenth century in the Old West contrary to what the rose colored glasses of nostalgia and popular media suggest daily existence was harsh and filled with perils that dimmed the outlook for a long lifetime This history chronicles some of the dangers accidents shootouts fires natural disasters disease and more that cut lives short on the Western frontier Thoroughly illustrated and carefully researched it presents the gritty truth about what life was really like in the Old West hazardous unforgiving and deadly

Crime, Justice and Retribution in the American West, 1850-1900 Jeremy Agnew, 2017-03-31 Western movies are full of images of swaggering outlaws brought to justice by valiant lawmen shooting them down in daring gunfights before riding off into the sunset In reality it would not have happened that way Real lawmen did not simply walk away from a gunfight they had to face the legal system and justify shooting a civilian in the line of duty Providing a more realistic view of criminal justice in the Old West this history focuses on how criminals came into conflict with the law and how the law responded The process is described in detail from the common crimes of the day such as train robbery and cattle theft to the methods of apprehending criminals to their adjudication and punishment by incarceration flogging or hanging

The Great American Outlaw Frank Richard Prassel, 1996-09-01 This book explores in depth the origins development and prospects of outlawry and of the relationship of outlaws to the social conditions of changing times Throughout American history you will find larger than life brigands in every period and every region Often because we hunger for simple justice we romanticize them to the point of being unable to separate fact from

fiction Frank Richard Prassel brings this home in a thorough and fascinating examination of the concept of outlawry from Robin Hood Dick Turpin and Blackbeard through Jean Lafitte Pancho Villa and Billy the Kid to more modern personalities such as John Dillinger Claude Dallas and D B Cooper A separate chapter on molls plus equal treatment in the histories of gangs traces women s involvement in outlaw activities Prassel covers the folklore as well as the facts even including an appendix of ballads by and about outlaws He makes clear how this motley group of bandits pirates highwaymen desperadoes rebels hoodlums renegades gangsters and fugitives who stand tall in myth wither in the light of truth but flourish in the movies As he tells the stories there is little to confirm that Jesse and Frank James Butch Cassidy and the Sundance Kid the Daltons Pretty Boy Floyd Ma Barker Clyde Barrow and Bonnie Parker Belle Starr the Apache Kid or any of the so called good badmen did anything that did not enrich or otherwise benefit themselves But there is plenty of evidence in the form of slain victims and ruined lives to show how many ways they caused harm The Great American Outlaw is as much an excellent survey on the phenomenon as it is a brilliant exposition of the larger than life figures who created it Above all it is a tribute to that aspect of humanity that Americans admire most and that Prassel describes as a willingness to fight however hopelessly against exhibitions of privilege

Violence in the West Marilyn S. Johnson, 2014-06-05 Generations of Americans have developed an image of violence in the Wild West through books and films But what conditions really resulted in violence on the American frontier between the 1880s and 1910s How frequently did violence occur and what forms did it take Johnson explores these questions through the lens of the mining and range wars that plagued the region during this period The author opens with an introductory essay that situates violence within social political and economic circumstances of the time considering smaller cases of interpersonal violence and larger conflicts Documents are then presented to illuminate two case studies of collective violence the Johnson County range war in northern Wyoming and the 1913 1914 coal strike in southern Colorado resulting in the Ludlow Massacre The closing epilogue examines the role both incidents played in shaping the collective memory and cultural history of the American West The book s format provides readers with both a general understanding of the history of western violence and the context of specific historical cases that allow for more in depth study and comparison

The American West Dee Brown, 2012-12-25 As the railroads opened up the American West to settlers in the last half of the 19th Century the Plains Indians made their final stand and cattle ranches spread from Texas to Montana Eminent Western author Dee Brown here illuminates the struggle between these three groups as they fought for a place in this new landscape The result is both a spirited national saga and an authoritative historical account of the drive for order in an uncharted wilderness illustrated throughout with maps photographs and ephemera from the period

Vanguards of the Frontier Everett Newfon Dick, 1941-01-01 Faith is neither static nor instantaneous It is not something we stumble upon and instantly understand Neither is it a monolithic one dimensional singular entity that has but one face one color one fragrance It is many faceted multi dimensional and appears differently depending on one s angle to

the Son In Finding Faith in Slow Motion Damon Gray examines faith from myriad angles and through gut wrenching life experiences as he asks regarding faith What is that stuff Spanning the emotional gamut from laughter to tears Gray challenges us to define our faith and redefine it to look at it from a multitude of perspectives and define it again The writing is intentionally evocative and playful offering the reader the ability to identify with Gray as he wrestles with the weighty subject matter of finding faith *Captain Alex MacLean* Don MacGillivray,2008-11-01 Alex MacLean was the inspiration for the title character in Jack London s bestselling novel *The Sea Wolf* Originally from Cape Breton MacLean sailed to the Pacific side of North America when he was twenty one and worked there for thirty five years as a sailor and sealer His achievements and escapades while in the Victoria fleet in the 1880s laid the foundation for his status as a folk hero But this biography reveals more than the construction of a legend Don MacGillivray opens a window onto the sealing dispute brought the United States and Britain to the brink of war with Canadian sealing interests frequently enmeshed in espionage scientific debate diplomatic negotiations and vexing questions of maritime and environmental law **The Mammoth Book of the West** Jon E. Lewis,2012-03-01 Revised and expanded edition of Jon E Lewis s ever popular account of the American West The book is at once a history and a compendium of western lore It tells what life on the frontier was really like and gives a human portrait of the tough and sometimes violent way of life experienced by the early pioneers The gunfighters and the cowboys women Indians and others all have their part to play and as well as the historical accounts there are intriguing anecdotes of everyday life on the plains from how Montana cowboys warmed up their horses bits to the words of the Navajo medicine chants **Nebraska History Magazine** ,1929 **The Frontier** ,1929
