Shannon Carlin,2024-08-13 The oral history of Disney s Hocus Pocus one of the most beloved Halloween movies of all time In
July 1993 Disney s Hocus Pocus starring Bette Midler Sarah Jessica Parker and Kathy Najimy did not immediately find
success with box office numbers falling far below what was envisioned Yet somehow the Halloween movie released in the
middle of the summer to little fanfare has become an enduring and widely loved classic Nearly three decades after the film s
initial release it s a yearly holiday viewing tradition in households around the world becoming a not so scary rite of passage
for kids and their parents many of whom grew up watching the film about the resurrected witchy trio with their own parents
Hocus Pocus is a movie that has few if any equals it manages to span a generational divide uniting boomers and zoomers in
their nostalgic love for the boundary pushing supernatural comedy that in some ways seemed a little too risqu for the
millennial kids it was originally intended for So how did a movie that didn t catch an initial spark end up casting such a spell
on mainstream culture Witches Run Amok answers that question and more using interviews from the cast and creative team
behind the heartwarming Halloween staple The book is a love letter to Hocus Pocus s millions of devoted fans and a
fascinating read for anyone who wants to understand how the Disney movie became a pop culture phenomenon The
