## **Live Letters Reflections On The Second Readings Of The Sunday Lectionary:**

*Live Letters* Daniel E. Pilarczyk, 2002 The second readings from the Lectionary we hear at Mass on Sundays and holy days are often overlooked by preachers These readings are almost all from the writings of the apostles in the New Testament and are almost all in letter form In these short commentaries Archbishop Pilarczyk focuses on the second readings of all three liturgical years A B C in order to clarify their relationship with other Mass readings and communicate their significance Each reflection puts the second reading in context talks about its content and the consequences of its application to us and ends with questions for discussion or reflection *The Living Church*, 2003 , *The Sunday Lectionary* Normand Bonneau, 1998 The Sunday Lectionary examines a key aspect of the liturgical use of the Bible how the Lectionary puts biblical flesh on the bones of the liturgical calendar and gives paschal shape to the Christian year Although the current Lectionary has been in use since 1969 its history purpose and structure remains relatively unknown to the many who proclaim or hear its readings The Sunday Lectionary contributes to a theology of proclamation by explaining the principles that underlie the Lectionary's selection of biblical passages and its patterns of reading distribution that structure the Sundays feast days and seasons of the liturgical year The book is divided into two parts The first lays the groundwork by surveying the history of the Lectionaries chapter 1 chronicling the highlights of the Vatican II Lectionary reform chapter 2 and examining the characteristic traits of the revised Sunday and feast day Lectionary and its ecumenical import chapter 3 The second part analyzes the Lectionary's architecture for each of the liturgical seasons chapters 4-9 Liturgical proclamation breathes life into the ancient inscribed words transforming them from words into the Word thus bringing the transforming nourishing presence of the risen Christ into the world The Sunday Lectionary not only helps enrich theological conversation but helps pastors homilists worship leaders rectors cantors and students of liturgy foster a deeper appreciation of the Lectionary and through the Lectionary the liturgy Normand Bonneau OMI ThD is Associate Professor of New Testament at Saint Paul University in Ottawa Canada His special interests are the letters of Paul and the Sunday Lectionary in which he teaches graduate and undergraduate courses and on which he has published a number of articles *Celebrating the Lectionary for Primary Grades 2010-2011* Vicki Lopez-Kaley, 2010-07-15 *Sourcebook for Sundays and Seasons 2008* Todd Williamson, 2007 **Sourcebook for Sundays, Seasons, and Weekdays 2018** Compilation, 2012 This book is the essential pastoral resource to help you prepare the liturgy each day of the liturgical year If you are a priest or deacon liturgist music director worship team member religious educator or simply interested in more information about Catholic liturgy this publication will be an invaluable tool **Near Us and Within Us** Debra Hintz, 2006-08 In these sixty services Debra Hintz focuses on transformation through the Second Reading of the lectionary because these readings are letters from the apostles words of support and encouragement Though originally written for the first Christian communities the Second Readings continue to be highly relevant for Catholic communities today Hintz invites all who gather in parishes on a regular basis to let
