## Enemies Assemble:

*Enemies of Destiny* Connie Hunter-Urban,2021-08-20 Have you been called for God s purpose When that happens you should be aware that something else will occur attacks The enemy doesn t want you to move into your destiny so he uses any obstacle to keep you from continuing toward the goal Even people David s life demonstrates those dynamics However he didn t let his massive number of attacks deter him but continued to maneuver toward his grand destiny despite the assaults By studying his examples we can learn how to recognize that someone is being used by satan as our enemy and how we can emerge victorious and stronger despite the attack As we move toward our God ordained destiny God will use even hard times for our good

*Blessed* Nancy Guthrie,2022-03-30 An Understandable and Reliable Guide to Revelation Over 12 chapters Blessed covers the full text of the book of Revelation exploring its call to patient endurance as God s sovereign plans for judgment and salvation are worked out in the world In this book Guthrie shows how Revelation is less about when Jesus will return and more about who we are to be what we are to do and what we can expect to endure as we wait for Jesus to return to establish his kingdom in the new creation With a friendly and engaging tone Blessed takes the fear intimidation and confusion away from studying Revelation providing a solid and accessible resource that individuals and small groups can use to study this important yet often avoided book Understand the Book of Revelation Helps readers make sense of Revelation s unique apocalyptic symbolism visual imagery and Old Testament allusions Transformative Personal Application Every chapter asks and answers the question What does it mean to hear and keep this part of Revelation and thereby experience its promised blessing A Focus on What Is Clear and Uncontroversial Highlights Revelation s call for a costly allegiance to Christ and a refusal to compromise with the world rather than focusing on interpretive approaches and disputes
