## **Finding A Way:**

Finding the Way Nelson Mendes, 2012-02-09 Finding the Way is a story of one man's spiritual quest and a modern perspective on the life of Jesus of Nazareth. His teachings can heal and solve our current fears, stresses, and illnesses by going to their root, the heart of the matter. Finding the Way serves as a guide for Christians seeking a deeper understanding of and relationship with Christ as well as a primer for those who are spiritually lost, wandering from one belief system to another. This work reveals the importance of placing Jesus at the center of our lives to manifest permanent peace and happiness.

**Finding a Way through Cancer, Dying, and Widowhood** Pamala D. Larsen, 2013-12 As an expert in chronic illness, author Pamala D. Larsen thought she understood what her patients and families with chronic illness were experiencing. When her husband Randy was diagnosed with esophageal cancer, however, she realized how little she knew. In *Finding a Way through Cancer, Dying, and Widowhood: A Memoir*, she presents her journal of dealing with her husband's cancer from the first day of diagnosis through eighteen months of illness, hospice care, his death, and her first long year of widowhood. Providing an honest view of those experiences, Larsen shares thoughts that many people have but few express. This memoir tells the real story of the pain experienced as a family of caregivers watches the downhill course of a loved one suffering from cancer. This memoir shares insights and asks difficult questions, telling a common, ordinary story that is acted out every day by thousands of people. It serves to communicate that grief is not an easy road; each survivor must find his or her own answers and path to recovery.
