**Just Do Something** Kevin L. DeYoung, 2009-04-01 Hyper spiritual approaches to finding God s will don t work It s time to try something new Give up Pastor and author Kevin DeYoung counsels Christians to settle down make choices and do the hard work of seeing those choices through Too often he writes God s people tinker around with churches jobs and relationships worrying that they haven t found God s perfect will for their lives Or even worse they do absolutely nothing stuck in a frustrated state of paralyzed indecision waiting waiting waiting for clear direct unmistakable direction But God doesn t need to tell us what to do at each fork in the road He s already revealed his plan for our lives to love him with our whole hearts to obey His Word and after that to do what we like No need for hocus pocus No reason to be directionally challenged Just do something
