

Finding yourself

is not really how it works. You aren't a ten dollar bill in last winter's coat pocket. You are also not lost. Your true self is right there, buried under cultural conditioning, other people's opinions, and inaccurate conclusions you drew as a kid that became your beliefs about who you are. Finding yourself is actually returning to yourself. An unlearning, an excavation, a remembering of who you were before the world got its hands on you.
