Abracadabra Nathaniel Schiffman,2009-09-25 Magicians use more than just mirrors string and sleight of hand to deceive their audience Those who are masters at this trade have developed an arsenal of techniques to manipulate people Every action and utterance on stage and off is precisely planned to achieve a specific effect Abracadabra is an insider s look at what goes on at a magic show behind the scenes and in the mind of the magician Nathaniel Schiffman explains the principles of deception exposing those innocent seeming motions that conceal vital actions from onlookers how the conjurer uses misdirection of space and time to mislead the audience how silly and simple optical illusions can fool us and what to look for during a magic show Also explored in detail is the world of off stage magic Some magicians use various techniques in life to deceive and influence you yet these magicians don t boast of their magic talent because they are advertisers politicians army commanders spies con artists computer programmers movie directors faith healers psychics and others These

magicians work to make you buy their product believe in their cause and influence your thinking from the time you get up in the morning until you go to bed at night This is not a how to book for aspiring magicians but a layperson s guide to methods used to mislead or fool you Lighthearted and informal Abracadabra will fascinate anyone interested in knowing how one person can control many Included are hands on experiments magic tricks and reader participation segments You ll soon see that magicians don t just manipulate playing cards and animals they manipulate you *Magic and Religion* Andrew Lang,1901 The Hidden Legion Snorri Kristjánsson,2023-09-12 DEATH HAS COME TO AEMILIUS It is the twentieth year of the reign of Emperor Tiberius Caesar Augustus The Empire spans the known world No power is greater and nothing can threaten the peace it brings And no one must know of the horrors that haunt it Aemilius thought he would die heroically in battle like his forefathers mourned by a loving wife and many children but he s barely a man when a harpy flies down out of the old myths and knocks him from his horse Stunned and helpless he waits for his end and is saved Formed on the bloody battlefield of Teutoburg the Hidden Legion are an order of soldiers magicians and rogues so secret that the Empire itself would hunt them down if they were exposed And now Aemilius is one of them A darkness is growing across the Empire and someone is setting traps for the Legion themselves Aemilius and his new comrades set off on the hunt for an unknown enemy

Religion in Sociological Perspective Keith A. Roberts, David Yamane, 2011-06-09 Religion in Sociological Perspective is an introduction to the sociology of religion core text designed to present and illustrate the basic theories sociologists use to understand the social dimensions of religion First and foremost the authors seek to help students understand the perspective from which sociologists view religion By the time students have finished this book they should understand the central theories and methods of research in the sociology of religion and they should have an idea of how to apply these analytical tools to new groups they encounter The goal of this text is to be illustrative rather than all encompassing The Fifth Edition continues to draw on a wide range of perspectives The text aims to help students recognize the contributions of various theoretical perspectives and the blind spots of each theory Conflict functional social constructionist and rational choice paradigms are used throughout the text Various middle range theories are also utilized to explore specific processes Despite the effort to introduce many perspectives however we have made an effort to enhance integration of the text by using one In Search Of Aditi Bathia, 1901 Can you ever forget your one framework throughout the book the open systems model true first love Does marriage supersede love Can marriage survive without love And what happens when the love of your life leaves you only to return at the most vulnerable time of your life Join Anya a successful advertising executive on her journey to discover answers to these questions as she bumps into Aarav her ex from her life before marriage and now her firm s client after eight long years As sparks reignite instantly upon her reunion with Aarav Anya risks her marriage with Yohan to explore what the other side of loyalty holds for her The result is an epistolary of many letters written by Anya to Aarav and to Yohan that uncovers the various layers of emotions that envelope human nature and explores the various shades of greys

none pure white or pure black Will Anya find a solution to the perpetual question of choice between love and marriage What sacrifices will she need to make both in her personal and professional life to achieve what her heart desires Most importantly will she find what she has set out in search of
