End Of The Tether:

The End of the Tether Joseph Conrad, 2025-07-01 The End of the Tether portrays the twilight of Captain Whalley's life as he struggles to preserve dignity amid personal and social decline. Once a proud and daring sailor, he now commands the humble steamer *Sofala* in a forgotten coastal route. The loss of his wife, his fortune, and his fading strength weigh heavily as he worries about his daughter Ivy's future. The narrative opens in a reflective, somber tone, capturing his quiet life filled with memories and unspoken sorrows. Through Whalley's journey, Conrad examines aging, purpose, and the final tether binding one's identity to the world. *The End of the Tether* by Joseph Conrad, 2017-07-14 The classic book has always read again and again. What is the classic book? Why is the classic book? READ READ READ then you'll know it's excellence.

The End of Tether Conrad Joseph, 2017-04-21 The End of the Tether could almost be classified as a short novel. It has a central, fully rounded protagonist in Captain Whalley, and the secondary characters of Massy Sterne and Van Wyk are all fully developed with convincing psychological motivations firmly anchored to the plot. But it seems to me that the concentration of the main theme, money, and the dramatic unity of events lends the narrative to be classified as a novella. There are no decorative or superfluous passages here. Every event is strongly related to the overall effect. [The End of the Tether \(EasyRead Comfort Edition\)](#) Joseph Conrad, 1985 *The End of the Tether* Joseph Conrad, 2022-10-13 Conrad thought of civilised and morally tolerable human life as a dangerous walk on a thin crust of barely cooled lava which at any moment might break and let the unwary sink into fiery depths. Bertrand Russell. This selection of four tales by Conrad is about radical insecurity: lone human beings involuntarily forced into confrontation with a terrifying universe in which they can never be wholly at home. It leads with *The End of the Tether* and includes also *The Duel*, *The Return*, and *Amy Foster*. Sailor, Soldier, Rich Man, Immigrant. These powerful shorter works remind readers that Conrad is not just the teller of sea stories and tales of imperialist action, and not only the author of the ubiquitous *Heart of Darkness*. This is the Conrad who is master of the terror element: global crisis, individual test, and personal trauma in modern literature. For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more. **End of the Tether** Joseph Conrad, 2008-05 Conrad was a Polish-born English novelist. His success is even more amazing since he did not learn to speak English until he was in his 20s. Conrad's narrative style places him at the beginning of the Modernist period of literature. Holger Nstedt states that in this story Conrad portrays an old man's existential crisis and transformation, and to do so, as in all of his sea stories, he makes use of the anthropological concept of initiation. Marlow, the second mate on the steamer, dreams of seeing Bangkok. Based on Conrad's first Asian voyage, Captain Whalley buys a share in the vessel and commands the voyage. Conflict arises between Whalley's elevated actions and the antisocial behavior of the ship owner.
