Bureau of Naval Personnel,1961 *Notes on Clery's Tactics [by] Rishworth & Sichel* Albert Henry Rishworth,1888 Battles of the Nineteenth Century Archibald Forbes,1896 **Manual of field fortification, military sketching and reconnaissance** War office,1871 Basic Military Requirements ,1961 **Tales of the Jacobite Grenadiers** Gavin Wood,2013-07-24

November 1745 After victory at the Battle of Gladsmuir Charles Edward Stuart rules Scotland as Prince Regent Across the border in England the regiments of King George are massing intent on dislodging the Prince from his throne in Edinburgh The newly formed army of Scottish Jacobites take the initiative in the war They invade England To disguise their lack of numbers and ensure surprise they march through the hills in three fast moving columns Lord Kilmarnock's regiment of Horse Grenadiers are ordered to carry out the cavalry duties that the gentlemen regiments will not undertake They find themselves escorting the baggage and artillery train through the hostile hills If they cannot rendezvous with the Jacobite army as planned the Prince will have no capacity to fight the coming campaign Lord Kilmarnock has only a hundred and fifty horsemen for the task It is not enough What ignoble wickedness is this Patrick pointed the muzzle of his piece towards the sack of caltrops by the ford It is the wickedness of war It is the madness of folly Patrick thrust the smoking cavalry carbine into its holster He drew out his rapier and held the blade low A soldier should fight with honour Fight with honour Is that why your gallant Prince declines battle and flees into the mountains Vere's Ulster accent was heavy with contempt The two men faced each other a pistol shot apart The grey gelding stamped his foot impatiently on the road Patrick placed his hand on the animal's neck to calm the horse Aye we are retreating true enough But before we depart I will see that the crows gorge themselves on your flesh Test your mettle if you have the courage the Irishman brandished his musket in the air causing sunlight to glint off the long steel bayonet But before you face my fury prepare yourself first to face the wrath of God There is surely enough room in Hell for the both of us

Clive Robert Harvey, 2014-08-19 The real life story of Robert Clive would be judged as wildly implausible if it came from the pen of a novelist Clive of India was one of the most extraordinary and colorful figures Britain ever produced The founder of Britain's Indian empire he was also Britain's first great guerrilla fighter by the age of twenty seven conqueror of Bengal at thirty one and avenging angel of righteousness against the greed of his own fellow countrymen at forty one In his later life Parliament brought him under painful scrutiny and he ended up one of the most hated men in Britain He died violently under still mysterious circumstances just before his fiftieth birthday The story of Clive can be viewed on several levels as a spirited military adventure by a man who defied death many times who withstood the greatest siege in British military history and conspired to force one of the most absolute and cruellest monarchs on earth off his throne as the morality tale of a penniless young man who became the sole ruler of a huge empire ended up as one of the richest men in Britain and was then brought to account and driven to despair or as the story of a plundering early poacher turned gamekeeper who sought to establish a moral and legal order amidst slaughter and greed Clive today lies buried in an unknown grave in an obscure corner of rural Shropshire a reflection of the controversy he aroused in his lifetime and that still surrounds his legacy and the manner of his death In this lively and revealing study Robert Harvey illuminates Clive's life's journey from the green fields surrounding Market Drayton through his adventures in India his drive to success and self destruction to his vicious and premature death by suicide or murder
