

A nighttime photograph of a cityscape. In the background, a large, dark cathedral with multiple spires is silhouetted against a deep blue twilight sky. To the left, a multi-story building has several windows glowing with warm yellow light. In the foreground, a large, brightly lit model of a building, possibly a church or cathedral, sits on a dark surface. The model is illuminated from within, casting a warm glow. A crowd of people is gathered around the model, their figures mostly in silhouette. The overall scene suggests a public display or exhibition of architectural models in an urban setting.
