Pandeirada, Joshua VanArsdall, 2024-11-19 People and animals broadly animates are important dynamic forces in the natural world They represent social targets such as friends and enemies economic and romantic partners predators and prey and companions Most importantly unlike inanimate objects animate agents have internal goals and drives that cause them to act on the world rather than simply be acted on In short animates fill our world with novel causes and have been a consistent selection pressure over the course of evolution human and nonhuman Cognitive scientists have long acknowledged the importance of animacy investigating it as a perceptual phenomenon as a component of language a natural category a demand on attention a dimension of neurological organization and more recently as an important factor in memory Although animacy has been a dimension of interest in cognitive science for quite some time cognitive scientists from different subdisciplines interested in animacy e g perception attention language and memory rarely talk with one another to synthesize findings across subfields A major goal of this research topic is to solicit articles from across cognitive science in a broad sense that investigate the role that animacy plays in cognition in the hopes that authors and readers may begin to see the bigger picture regarding how animacy influences the mind We hope that by bringing together researchers from across cognitive science we will hear from a diverse set of perspectives regarding animacy representing a variety of research questions and methodologies within this larger topic Likewise we hope that the finished research topic will lead to an increased and more varied exploration of the role of animacy in our thoughts and actions and will appeal to readers across fields **The Holy Book Of El Shaddai** Efren Gamboa, 2017-06-30 The Hebrew name of God in the holy writings is El Shaddai El means God Creator and Shaddai means Almighty El Shaddai is the name of God Although we read other names given to God in the Old Testament none of those names are the true name of God Names such as Lord Yahweh and Jehovah were never spoken or pronounced in Israel in the entire Old Testament as their god Before the Kingdom of Judah fell El Shaddai warns the Judeans that their false prophets have changed his name with Baal which is the same name as Lord And it shall be at that day says El Shaddai that you shall call Me Ishi my beloved and shall call Me no more Baali my
