*UNESCO, Cultural Heritage and Conflict in Yemen, Syria and Iraq* Joanne Dingwall McCafferty, 2023-02-18 This book aims to determine UNESCO s capability to facilitate heritage protection measures pre conflict emergency response measures during conflict and reconstruction efforts post conflict The book employs document analysis to ascertain UNESCO s legal obligations when it comes to facilitating cultural heritage protection in its Member States territories in the condition of armed conflict while drawing comparisons with the reality of the organisation s presence and involvement in Yemen Syria and Iraq This study maps shifts in UNESCO s level of communication with each country s respective government and civil authorities allocation of financial human and material resources and implementation of heritage safeguarding and reconstruction initiatives Both quantitative and qualitative data shows

UNESCO to exhibit great inequity in engagement at times closing communications entirely with Syria due to the political standpoints of other UNESCO Member States This political gridlock is often shown to result in the organisation overstating its ability to safeguard or restore heritage with promises not being followed up with action Since 2015 UNESCO has expressed a stronger intent to be a key player in heritage protection during armed conflict however as long as cultural heritage protection is not considered a humanitarian concern UNESCO will not be able to circumvent much of the political and bureaucratic barriers facing intergovernmental organisations during conflict which prevent emergency action from being implemented In order to ensure heritage safeguarding is permitted during periods of significant unrest regardless of political discord it is crucial that UNESCO promote a people centred approach to its cultural heritage protection initiatives This book evidences that focusing on livelihoods and meaningful and practical connections between populations and their local heritage to be UNESCO s optimal methodological approach for justifying cultural heritage protection as a humanitarian necessity The book s readership includes academics researchers and practitioners in the fields of political science law and heritage studies
