Finding God In The Darkneb:

Finding God in the Darkness Bradley Gray, Chad Bird, 2023-07-18 Suffering engulfs our lives in an unavoidable darkness leaving answers and explanations obscured like a sorrowful fog The gospel of Christ however gives us something infinitely more valuable than answers or explanations Finding God in the Darkness Hopeful Reflections from the Pits of Depression Despair and Disappointment is not an attempt to decode or decipher every nook and cranny of sorrow and suffering It is a journey wherein faith hope and love are unexpectedly found along the way in the midst of darkness Much to our surprise that s where God shows up too **Seeing in the Dark** Nancy Ortberg, 2015 Christians are supposed to be the light of the world Yet we seem to spend most of our time stumbling in the dark We want answers carved in stone and instead we get uncertainty We want a clearly marked path and a panoramic view of the future and God gives us only fleeting glimpses of what lies ahead and just enough light to take the next step So what do we do We take the next step In her much anticipated follow up to Looking for God Nancy Ortberg takes readers on a journey that began thousands of years ago From an ancient cave in Turkey to the California coast Nancy highlights the often unexpected sometimes imperceptible yet always extraordinary means God uses to light our way through even the most painful and challenging moments in life **Draw Close to the Fire** Terry Wardle, 2004-01-15 This book lays out the source of healing and charts the path toward healthy relationships and spiritual maturity *Finding God* Thomas Griffith Lewis, 2002-01-01 In this small yet immensely helpful guide pastor Thomas Lewis offers spiritual resources for the many persons today suffering from depression By turning his readers toward praying the Psalms as he did in his own battle with depression Lewis assists those seeking hope and a healing touch to find in his words a cup of cold water in parched land He speaks frankly about his own battle with deep depression discusses the types of depression the symptoms and where to get help and then lays out several Psalms of lament that can support people in times of depression and form a foundation for all other approaches to treating the illness This book will prove to be an invaluable resource for those engaged in pastoral care and counseling for those who have loved ones suffering from depression and persons suffering from depression themselves **SHINING LIGHT INTO THE DARKNESS: Finding God's Purposes and Hope When Life's Events Make No Sense** Mark Barrett, 2024-08-25 Many times in life the unexpected happens to us or to someone else and many times it is a tragic incident In 2017 our youngest son took his own life It was unexpected It was a complete surprise To us he seemed to be living a full God honoring life How do you explain such a tragedy How do you explain that unexpected tragedy in your life There is a reason for that which is explained in the Bible This book will help you make sense out of things which ordinarily in your human understanding makes no sense Using the Bible as our guide we will pull back the curtain of the unexpected and find not only answers but hope that will help you to cope with your shock and grief This book contains answers to questions about life s incidents and tragedies we can t explain in human terms We will draw the curtain back on God s perspective and plan and the spiritual warfare that is at play in all

our lives We cannot always see behind the scenes when events happen but this book will give you hope and healing in knowing that God is in control and has a plan in it all **Finding God** Larry Crabb,2010-06-01 In today s psychological culture we have become a people more concerned with solving our problems than finding God Suffer low self esteem Get counseling Unfulfilled in life Join a recovery group But solving problems is not the point argues Dr Larry Crabb In fact whenever we place a higher priority on solving our problems than on pursuing God we are being immoral Dr Crabb demonstrates that our deepest problem and worst sin is doubting God When we doubt God s goodness when we think that god cannot be trusted with the things that matter most we will quietly but with tight lipped resolve take over responsibility for our own well being with disastrous results In his most compelling book since Inside Out Dr Crabb upsets the cozy Christianity of the modern believer He reveals anew God s top priority not our comfort and gratification but His glory

Finding God in the Darkness Irene Howat,2014-03-20 Grief Bereavement Hardship Comfort and Encouragement Best selling author with introduction by Dale Ralph Davis **Treasures of Darkness** Tara Soughers,2009 Invites readers to embrace the dark moments of life as opportunities to experience God s love presence and power **Finding God** Joseph Haward,2025-04-22 Throughout history people have been scarred by the violence of the Bible scars that sometimes speak of a lost faith In a world continually beset by violence can a God of wrath violent judgment and bloodshed really be good news Can the God of love as seen in Jesus also be the God who commands slaughter Why is history filled with scapegoats In Finding God Joseph Haward confronts these questions head on wrestling with the biblical stories of sacred violence divine wrath and human suffering Maybe these stories have something remarkable to reveal to us Maybe from the ashes of our faith a faith consumed by such extreme violence something new can rise up Offering a bold provocative and deeply biblical vision Joseph Haward believes that beyond the bloodshed we can find a God who is far greater than we dared hope for or believed

Finding God Day by Day: A Year of Meditations ,2010 **Finding God in the Ordinary** Pierce Taylor Hibbs,2018-09-19 We tend to look for God in the grand and spectacular but most of our lives are filled with ordinary moments and routines drinking coffee reading a book driving to work Can we find God in the banalities of everyday life In Finding God in the Ordinary the author shows that we can and that we must Our world is not an ordinary world Because it was spoken into being and maintained by the word of God s power Heb 1 3 everything around us is always revealing the nature and character of the triune God Our world is extraordinarily ordinary always calling our attention to the God of glory and his work in the commonplace **Finding God in the Dark** Ted Kluck,Ronnie Martin,2013-03-15 An Honest Hopeful Look at Christian Doubt and Disappointment Doubt often has less to do with the head than the heart When Christians go through trials from unmet personal expectations to the death of a loved one they often feel like God has abandoned them or maybe he never cared at all Kluck and Martin walk readers through dark times in their own lives to reveal a God of love who never forsakes his children Here is grace and hope for any believer struggling to believe **Finding God in All Things**
