**Finding Your Way** Tommy Tenney, 2008-01-11 In *The Ultimate Comeback* Tommy Tenney showed us how we can find restoration and healing after even the most egregious errors and from the most hopeless situations In Tenny's new book the pilgrimage of Ruth and Naomi to Bethlehem is the springboard for Tenney's message which teaches that many of the things that go wrong in our lives can be resolved or even avoided by adopting some very basic principles We desperately need to downsize reprioritize and sometimes even sacrifice less important things in order to simplify our lives In doing so we become unfettered enough to see more clearly where our priorities should lie We have the tendency to seek temporary satisfaction through a more convenient or more accommodating value system We settle on whatever gives us permission to do what we want and to acquire what we desire Ruth possessed the virtues of wisdom faith and trust and employing these while enduring personal crisis she realized that the very things she needed for inner strength and support were her family traditions What we find on this journey is that these foundational tenets lead us down a path to a place of peace and contentment to the Things that Really Matter
