**Engaging Generation Z** Tim McKnight, 2021-01-21 A holistic approach to reaching Generation Z in your local church. Following an overview of the beliefs, attitudes, and practices of Generation Z, McKnight provides youth pastors and volunteers with a complete plan for discipling adolescents through the local church. This includes practical advice on topics such as engaging parents in youth ministry, holistically guiding students in their beliefs, behavior, and affections; equipping adult leaders who can serve as role models; working with pastors, staff, and church leaders; helping parents develop rites of passage for their children as they move into adulthood; raising expectations for adolescents to encourage them to grow toward maturity. Based on years of personal experience and practice, *Engaging Generation Z* provides everything youth ministers need to equip, grow, and encourage today's generation of young people to follow Christ and to take their student ministry to the next level.
